Newness is a marvelous thing . . . Exciting, stimulating, challenging. Each effort made at Niles West this year was something new, a first. And consequently it required that we meet the challenge of newness with skill and determination.

We donned our Red and White for the first time last September to face East in our first athletic contest. From that day on Red and White Day became an honored tradition. We built a foundation for student government that now serves as a model of democratic student representation. We gave birth to publications that will record our history for years to come.

Our first homecoming
Our first dramatic production
Our first Redskins' Revue
Our first graduating class
The list is endless.

Despite the vast scope of our tasks, each is bound to the other by a common objective . . . to establish in this, our first year of existence, proud and worthy traditions that will be perpetuated by Niles Students for years to come. We hope that we have served the future well.

New Frontiers in education are pursued

at Niles West

While the entire nation is recognizing the need for an intense program of academic training, we at Niles West are receiving, from the very onset, an education founded upon sound and progressive approaches to learning. If we are to meet the challenges set forth in the twentieth century, then as high school students, our chief objective must be the absorption and comprehension of knowledge.

From the test-tube jungles of the chemistry laboratories, to the finest recording equipment in the language laboratories, the most modern facilities have been utilized throughout the building.

In the constantly changing field of educational technique, Niles West has kept pace by formulating such programs as the Reading Improvement Course, a complete tract of accelerated courses, and the Science Seminar Program.

Opportunities for learning are vast and constantly growing. New frontiers are being revealed in every aspect of academic study. By using the tools of our learning, we are able to pioneer successfully these frontiers.

Administration

and faculty provide the stimful for academic achievement

A new school, aspiring to excellence, demands firm organization and constant guidance from its administration and faculty. At Niles West this demand is met by an experienced administrative nucleus combined with a young and energetic faculty, whose continual objective lies in providing each student with the best possible preparation for the future. We are indeed fortunate, then, that this task has fallen to men and women who are experts in their respective fields of education; together we are able to establish our position of scholastic excellence and to insure its permanence.

Student Activities

supplement the

From the serious aspect of student government to the purely recreational purposes of the Student Union Board, Niles West has built a varied and stimulating program of student activities. The enthusiastic reception accorded each club and organization this year speaks well for the traditions each has begun, for these are the groups who must serve as the springboards of our homecoming celebrations, our charity fund drives, our literary contests. From them spring our all-school publications, our paths to cultural enterprise, the opportunity to carry our education beyond the classroom. These are the groups that organize and present the assembly programs held throughout the year. Coordinated by a Director of Student Activities, our extra-curricular programs serve to supplement the conventional role of high school education, while at the same time offering the student a constructive outlet for his skills and energies.

School Spirit

soars as Niles West wins the

School spirit is an intangible commodity, the origin of which cannot be traced. Yet no single event has been more responsible for establishing a tradition of loyalty and good sportsmanship than the Interim League football championship that came to us last fall. Our new stadium was trod with glory time and time again. Our stands held capacity crowds whose cries of "Indians-Great!" were endless. More than once a home team was forced to relinquish their home stands to the hundreds of enthusiastic "visitors" from Niles West, who followed their teams to the most distant corner of the Interim League. Not only did this championship effort set a precedent for all of the 1961-62 squads, but it provided future generations of Indians with a goal towards which they may strive. A school may set goals in all other areas, but in sports there is no substitute for a winner. And while most other schools spend years in building athletic standards of championship calibre, the Indians brought us the coveted league crown in their very first outing.

Academic Achievement

is our chief concern

The diversity of English courses indicates the numerous ways of improving our skills in reading, speech, and writing.

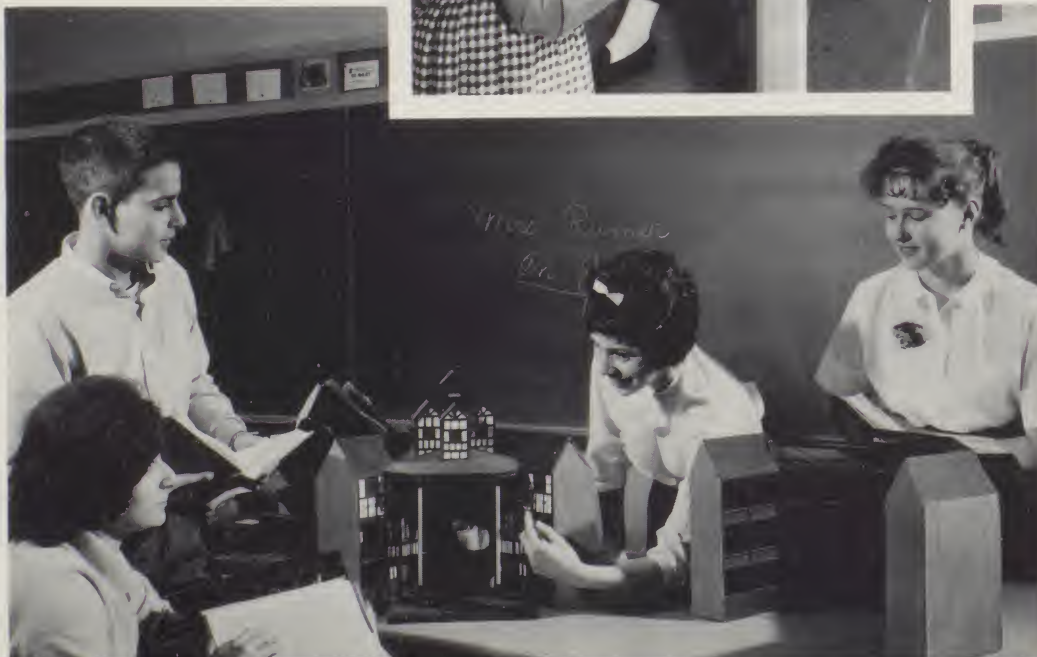

Owing to the various phases of English, including grammar, and literature, the student is able to facilitate his use of the English language; be more creative in his writings, and analyze and appreciate world literature. This knowledge is taught at several levels — according to the student's abilities.

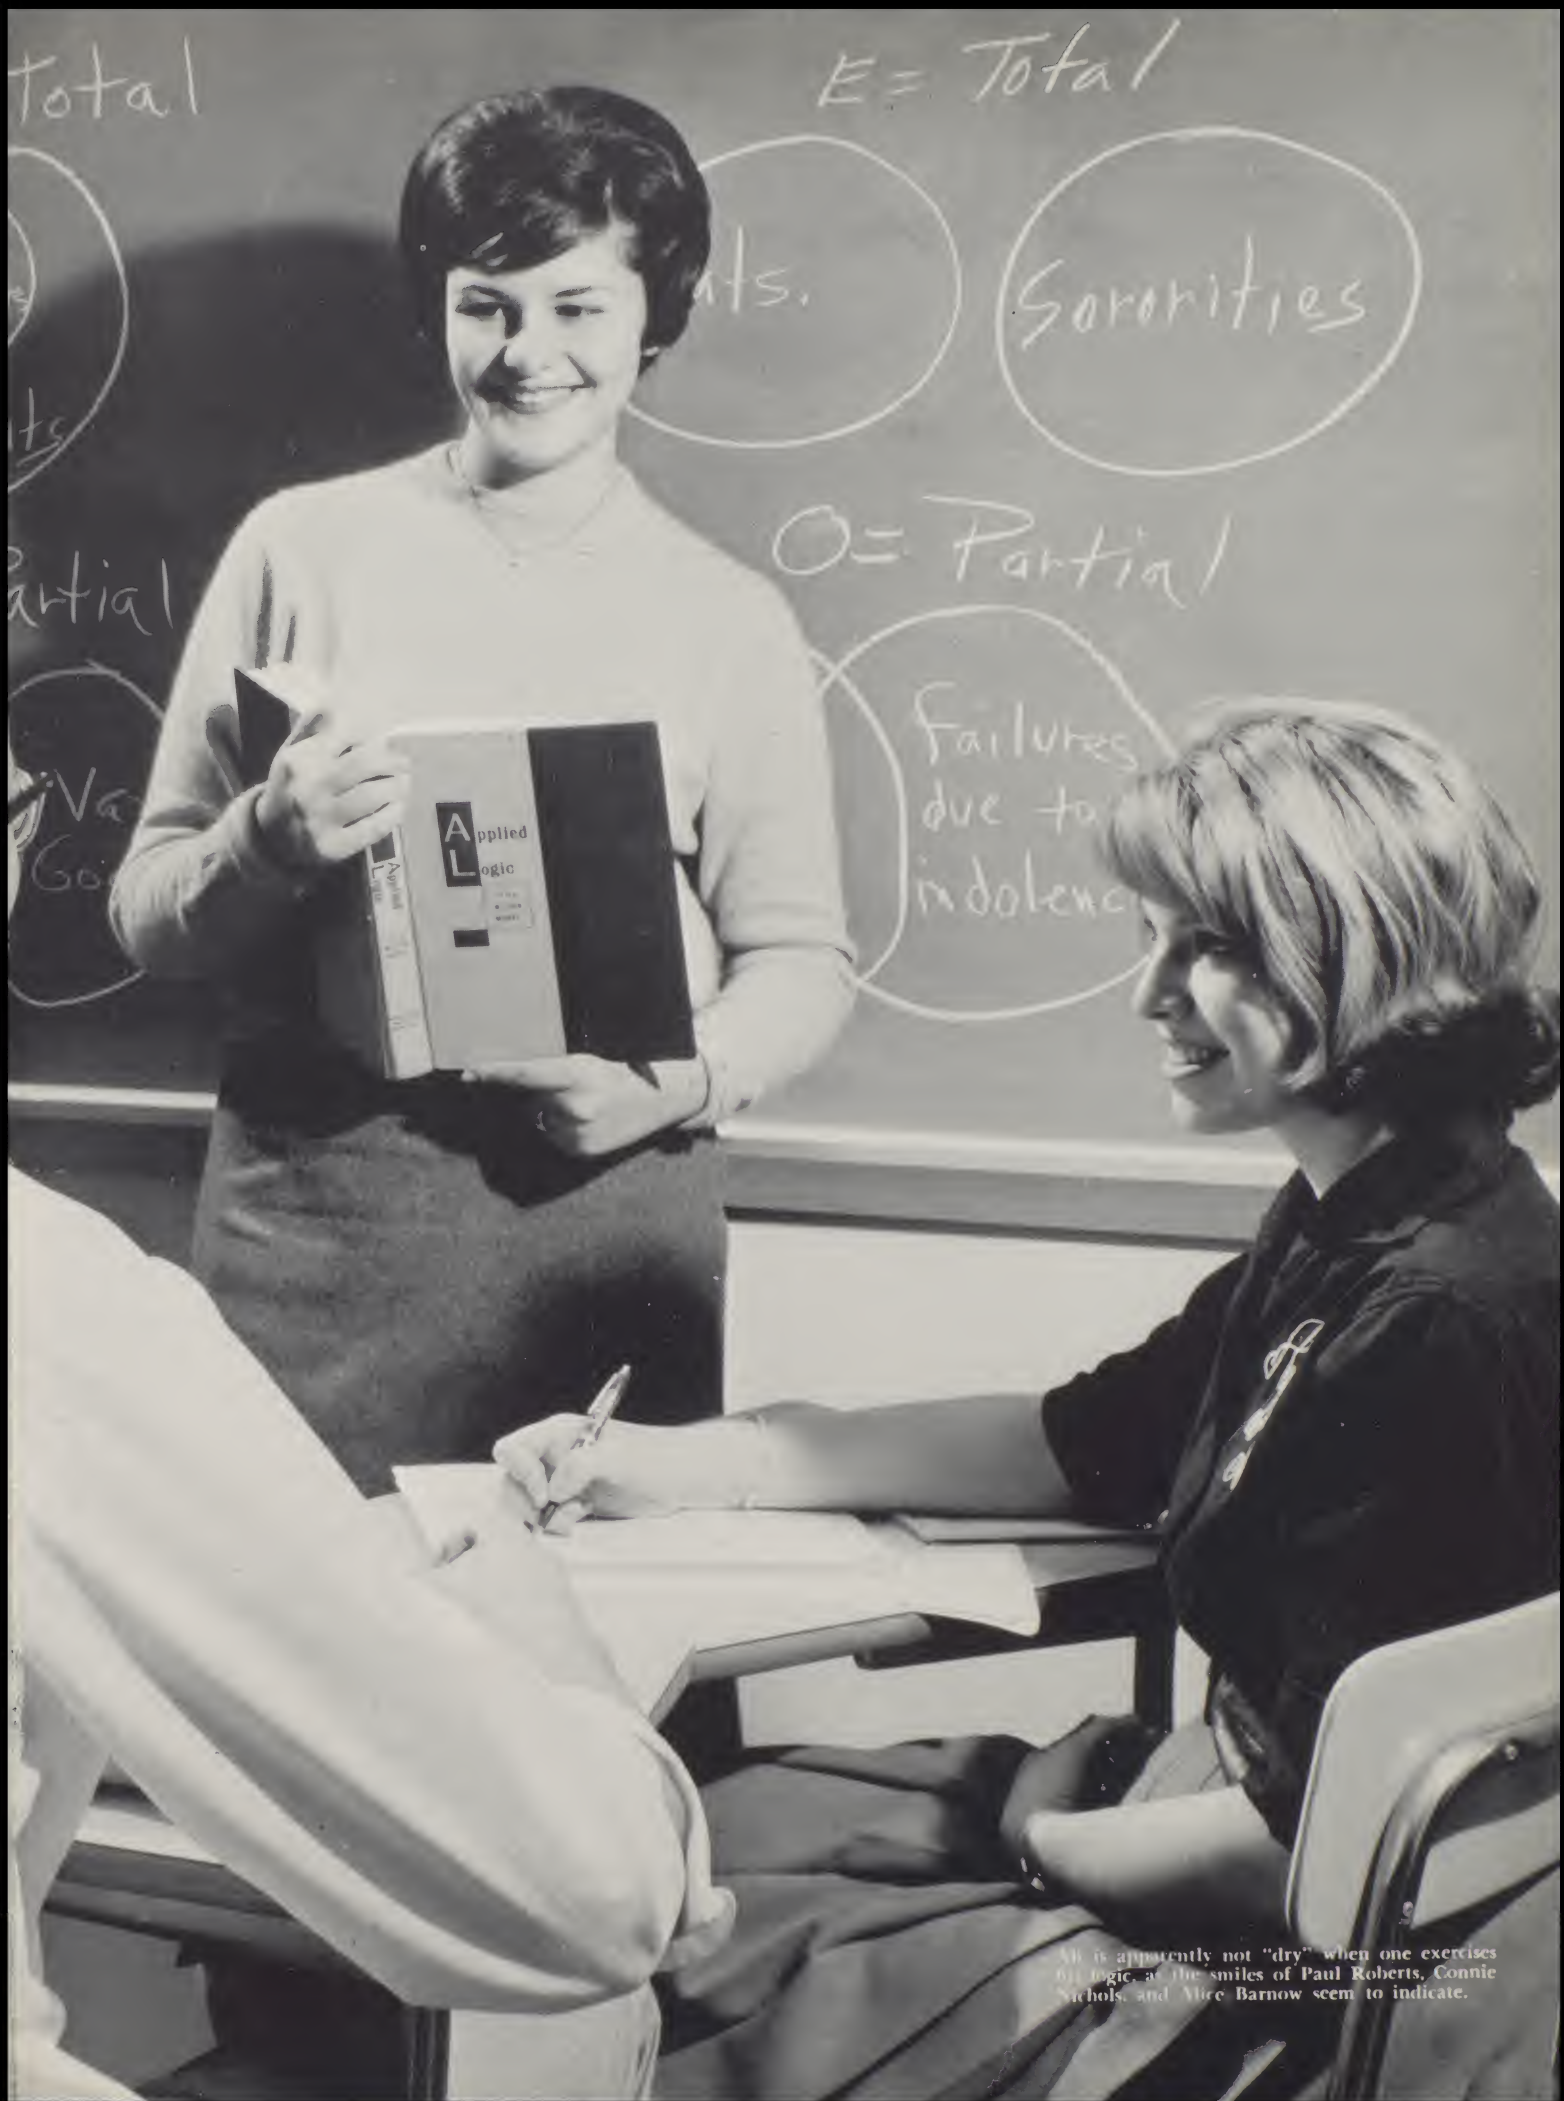

This year, programs of Reading Improvement, lay reading, and group teaching have been added to the previous English curricula. Through these techniques, teachers are able to offer students their best subjects and students can better comprehend and learn these subjects.

In addition to studying English as a fundamental course, Niles West students can elect courses for the future or for enjoyment. These elective courses include Journalism, Creative Writing, Public Speaking, Dramatics, and English Literature.

Half the bother in getting your speech across is holding the attention of your audience; Kathy Ellis seems to have mastered this art in her public speaking class.

Al Karlin and Louise Birndorf contrast pictures of an Elizabethan theatre with the model pointed to by Harriet Goss and Linda Kessel.

It is apparently not "dry" when one exercises
out logic, as the smiles of Paul Roberts, Connie
Nichols, and Alice Barnow seem to indicate.

A widely held view is that Russia does not live up to the ideal of Communism; Stuart Shiman explains his position on this issue to his economics class.

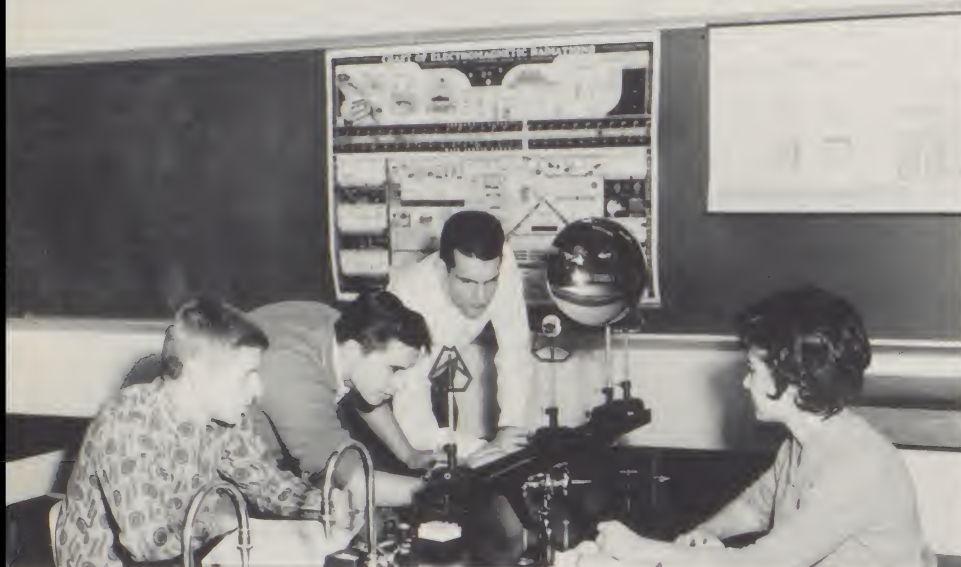

Social Studies courses develop capable and alert citizens.

The Social Studies Department enables students to explore the past, examine the present, and prepare for the future. This year the Social Studies Department offered courses in which the student could learn the historical, geographical, political, and economic aspects of our country and lands around the world. In addition to the required courses, Freshman Social Studies and Senior Social Studies, students interested in the humanities could take Family Living, Economics, Psychology, or Sociology. History majors had a choice of World History, Latin American History, United States History, and Modern European History.

By learning the various beliefs and customs of different peoples and their historical backgrounds, students develop the ability to think critically and to act responsibly on the important issues in our complex society.

When in doubt guess true — true, true, true, true, true.

Reflecting apparatus provides Bill Oliver, Mark Epstein, Bob Epstein, and Diane Seligman with a suitable method for studying the behavior of light rays.

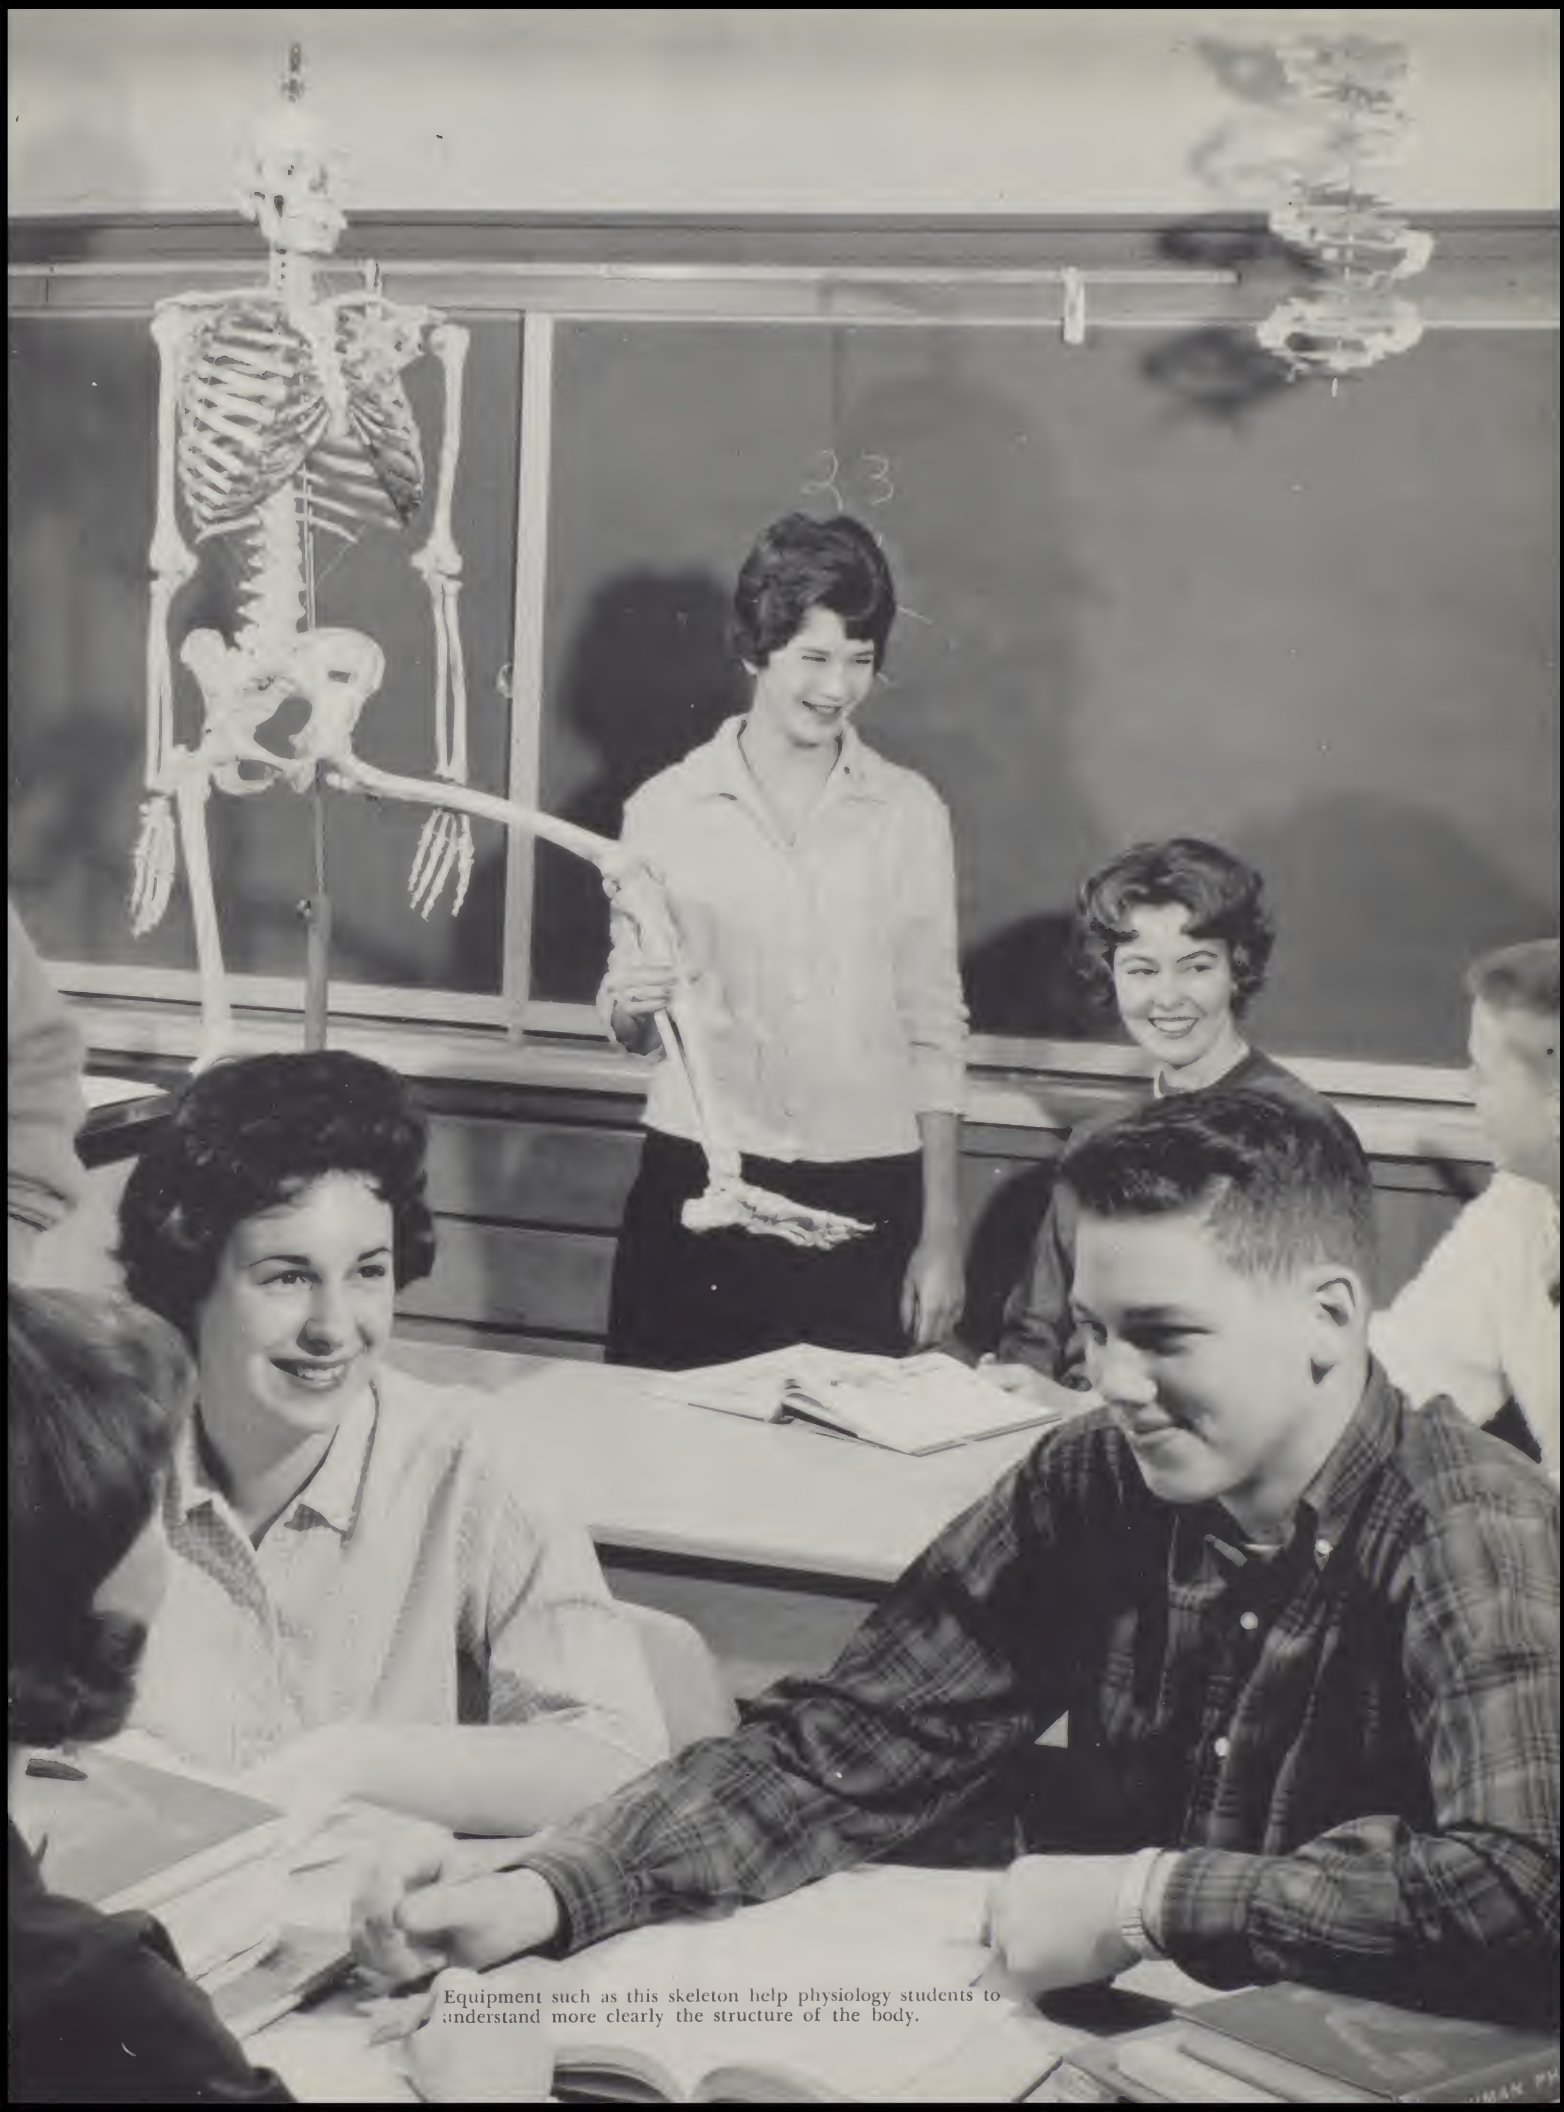

Science students learn the importance of continuous progress.

Many demands have been placed upon the United States educational system for a "step-up" in the sciences. With these demands in mind, the Niles West Science Department has instituted extra courses in the physical and biological sciences.

Niles West has built new physics and chemistry laboratories and added advanced courses, such as CBA Chemistry and PSSC Physics. In the biological fields, students are offered physiology, zoology, and botany, as well as biology.

Capturing, mounting, and classifying insects was the six weeks project of biology students Barbara Rek, John Heinze, and Linda Glantz.

Equipment such as this skeleton help physiology students to understand more clearly the structure of the body.

"What is the answer?" Gary Watkins wants to know.

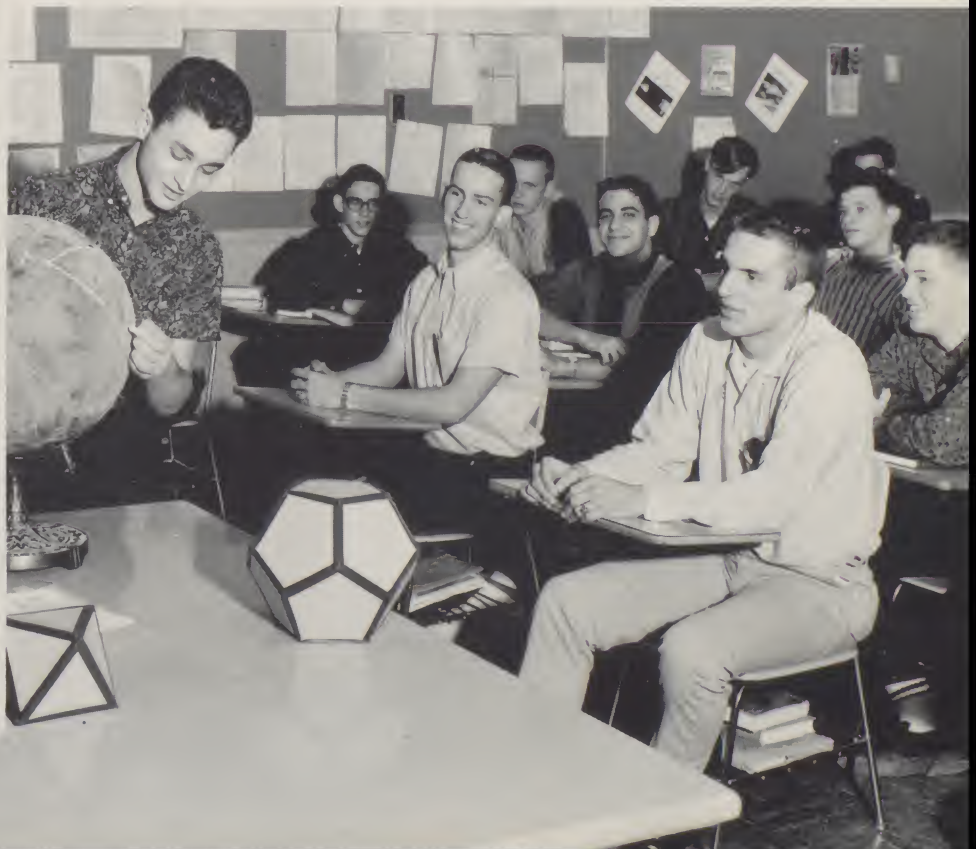

Effective reasoning and application are primary concepts in mathematics.

With courses ranging from General Math to Math Analysis, Niles West's Mathematics Department offers students a selection in all degrees of mathematical interests. The department teaches students to reason effectively and to apply concepts practically. Its primary purpose is to develop quantitative reasoning powers through the use of numerical skills. The aim of the Math Department is an understanding of these skills so that the student may be able to apply his thinking in fields seemingly quite foreign to mathematics. For example, trigonometry, which in high school appears to be associated with triangles, can be applied to an explanation of a chemical reaction.

There is a great demand for people highly qualified in their fields of employment. According to Mr. Martin, Chairman of the Mathematics Department, training of the better student to the extent of his ability has become more of a necessity than a choice. For this reason the Mathematics Department has developed an extensive accelerated program to challenge the reasoning powers of the better students.

Plane Geometry students, Dave Senn, Roberta Benson, and Virginia Hawkins, diagram the Pythagorean Theorem for practical application.

Barry Fisher and Robert Cims explain the method of finding the area of a spherical triangle.

Foreign Languages provide a means for understanding other nations.

Language is the civilized method of communication. Modern world problems compel Americans to develop an "intercultural intelligence." Competent citizens realize that language is a primary road to this intelligence. In addition to the international aspect, the study of a foreign language produces a greater understanding of the complex English language.

As the primary objective, the foreign language courses try to develop the language skill of comprehension through listening, speaking, reading, and writing. Listening and speaking skills are aided considerably by work done in the language laboratory. Students are able to hear voices of native speakers, teachers, and other students as well as practice speaking individually.

Bullfights and a jug of wine symbolize Spain to many Americans; however, the pitcher Richard Buelow is showing to Lynnette Hendricks is a model of the *botigo*, an ancient type of water jug.

The language laboratory offers students an opportunity to gain proficiency in foreign languages.

Advanced Russian students, Julie Gordon, Richard Mendes, Carolyn Merrill, and Vladimir Sokolov, wearing authentic costumes, demonstrate the *Korbuska*, a Russian folk dance.

Business Education combines learning with practical experience.

Efficient secretary, Pamela Porter, is learning to operate a cordless switchboard unit through practical experience.

Tabulator bar . . . account . . . brief forms . . . invoice. These are terms associated with the Business Education Department. This department offers practical experience to students who plan to enter the business world.

For those who are interested in secretarial work, Niles West offers courses from beginning typing and shorthand to the advanced combination of both, in Secretarial Practice. Bookkeeping and Business Math provide a fine background for students with clerical futures. And for students interested in "Big Business," Business Communication and Advertising are suited to their needs.

Simulated business conditions, with actual forms and papers, are set up to provide students with real-life experiences.

The difficult task of bookkeeping is considerably lightened if the students are grouped as Berrily Ballou, Bruce Bendoff, Carol Recher, Paul Thielman, and Barbara Vincent are.

Home and Industrial Arts establish fundamental skills for further application.

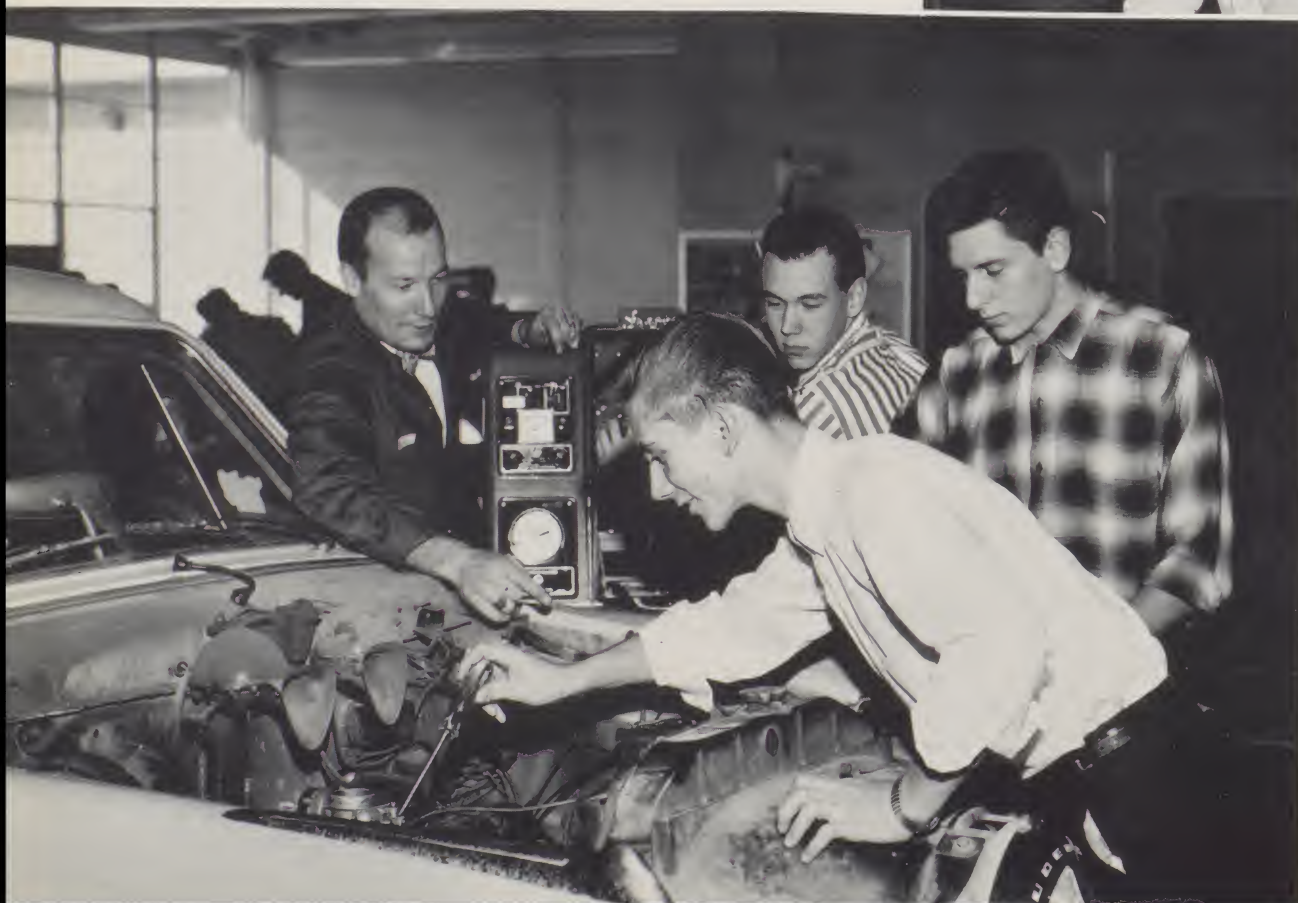

Since industrialization has held such an important position in the 20th Century way of life, Niles West has also placed great emphasis on this area. Offering such courses as Metal, Auto, Electrical, and Wood Shops, and Industrial and Architectural Drawing, the Industrial Arts Department teaches its students the ways of industry through tools, processes, and materials.

Today, it is considered essential that every girl acquires an easy familiarity with the skills of cooking, sewing, and managing a home. The Niles West Home Economics Department, in step with this, offers Foods, Clothing, and Home Management.

Robert Thomas learns the techniques of Industrial Drawing by copying blueprints.

Diagnosing car trouble is just routine for Dave Parry, Jim Ford, and Mr. Charles Bryan.

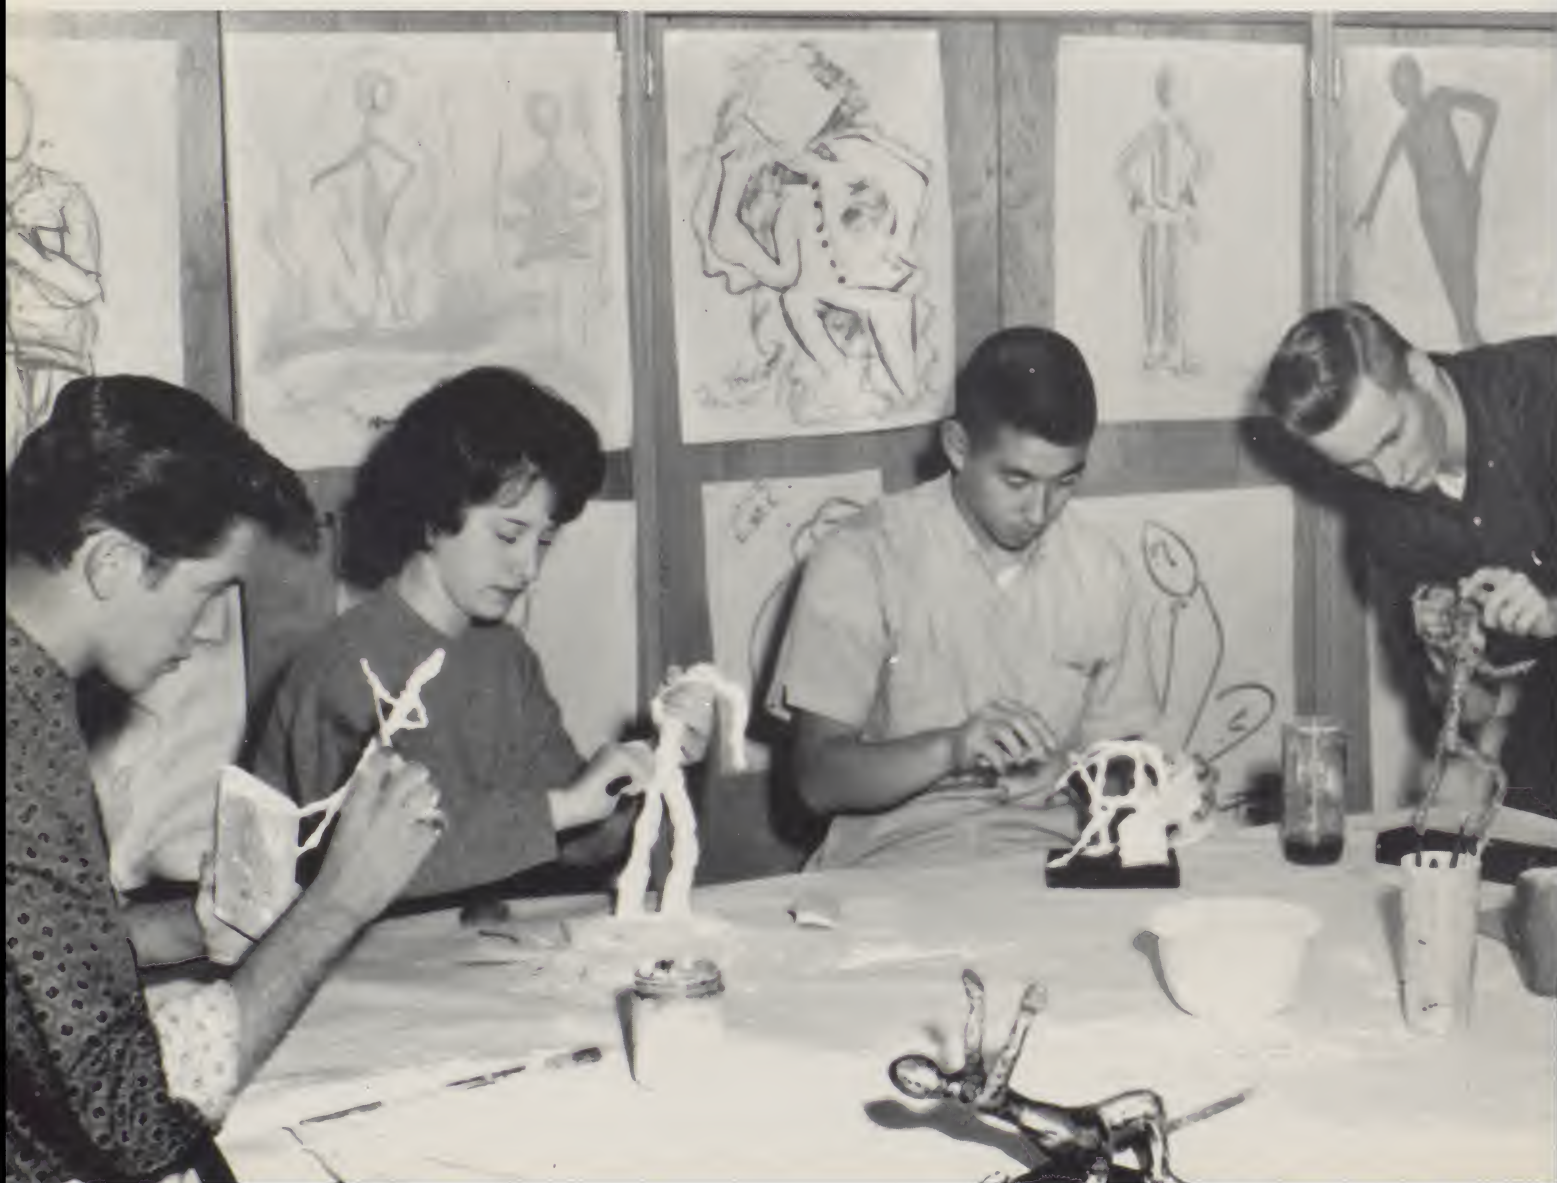

In foods class, Doreen Stocker, Karen Bonesz, Pat Anderson, and Lynda Payne prepare for their important tasks as future homemakers.

Judy Fine and Tom Gardner express their individuality by the different ways they portray a dog; this is the dramatic concept of method acting.

Fine art students, using different media, strive for self-expression.

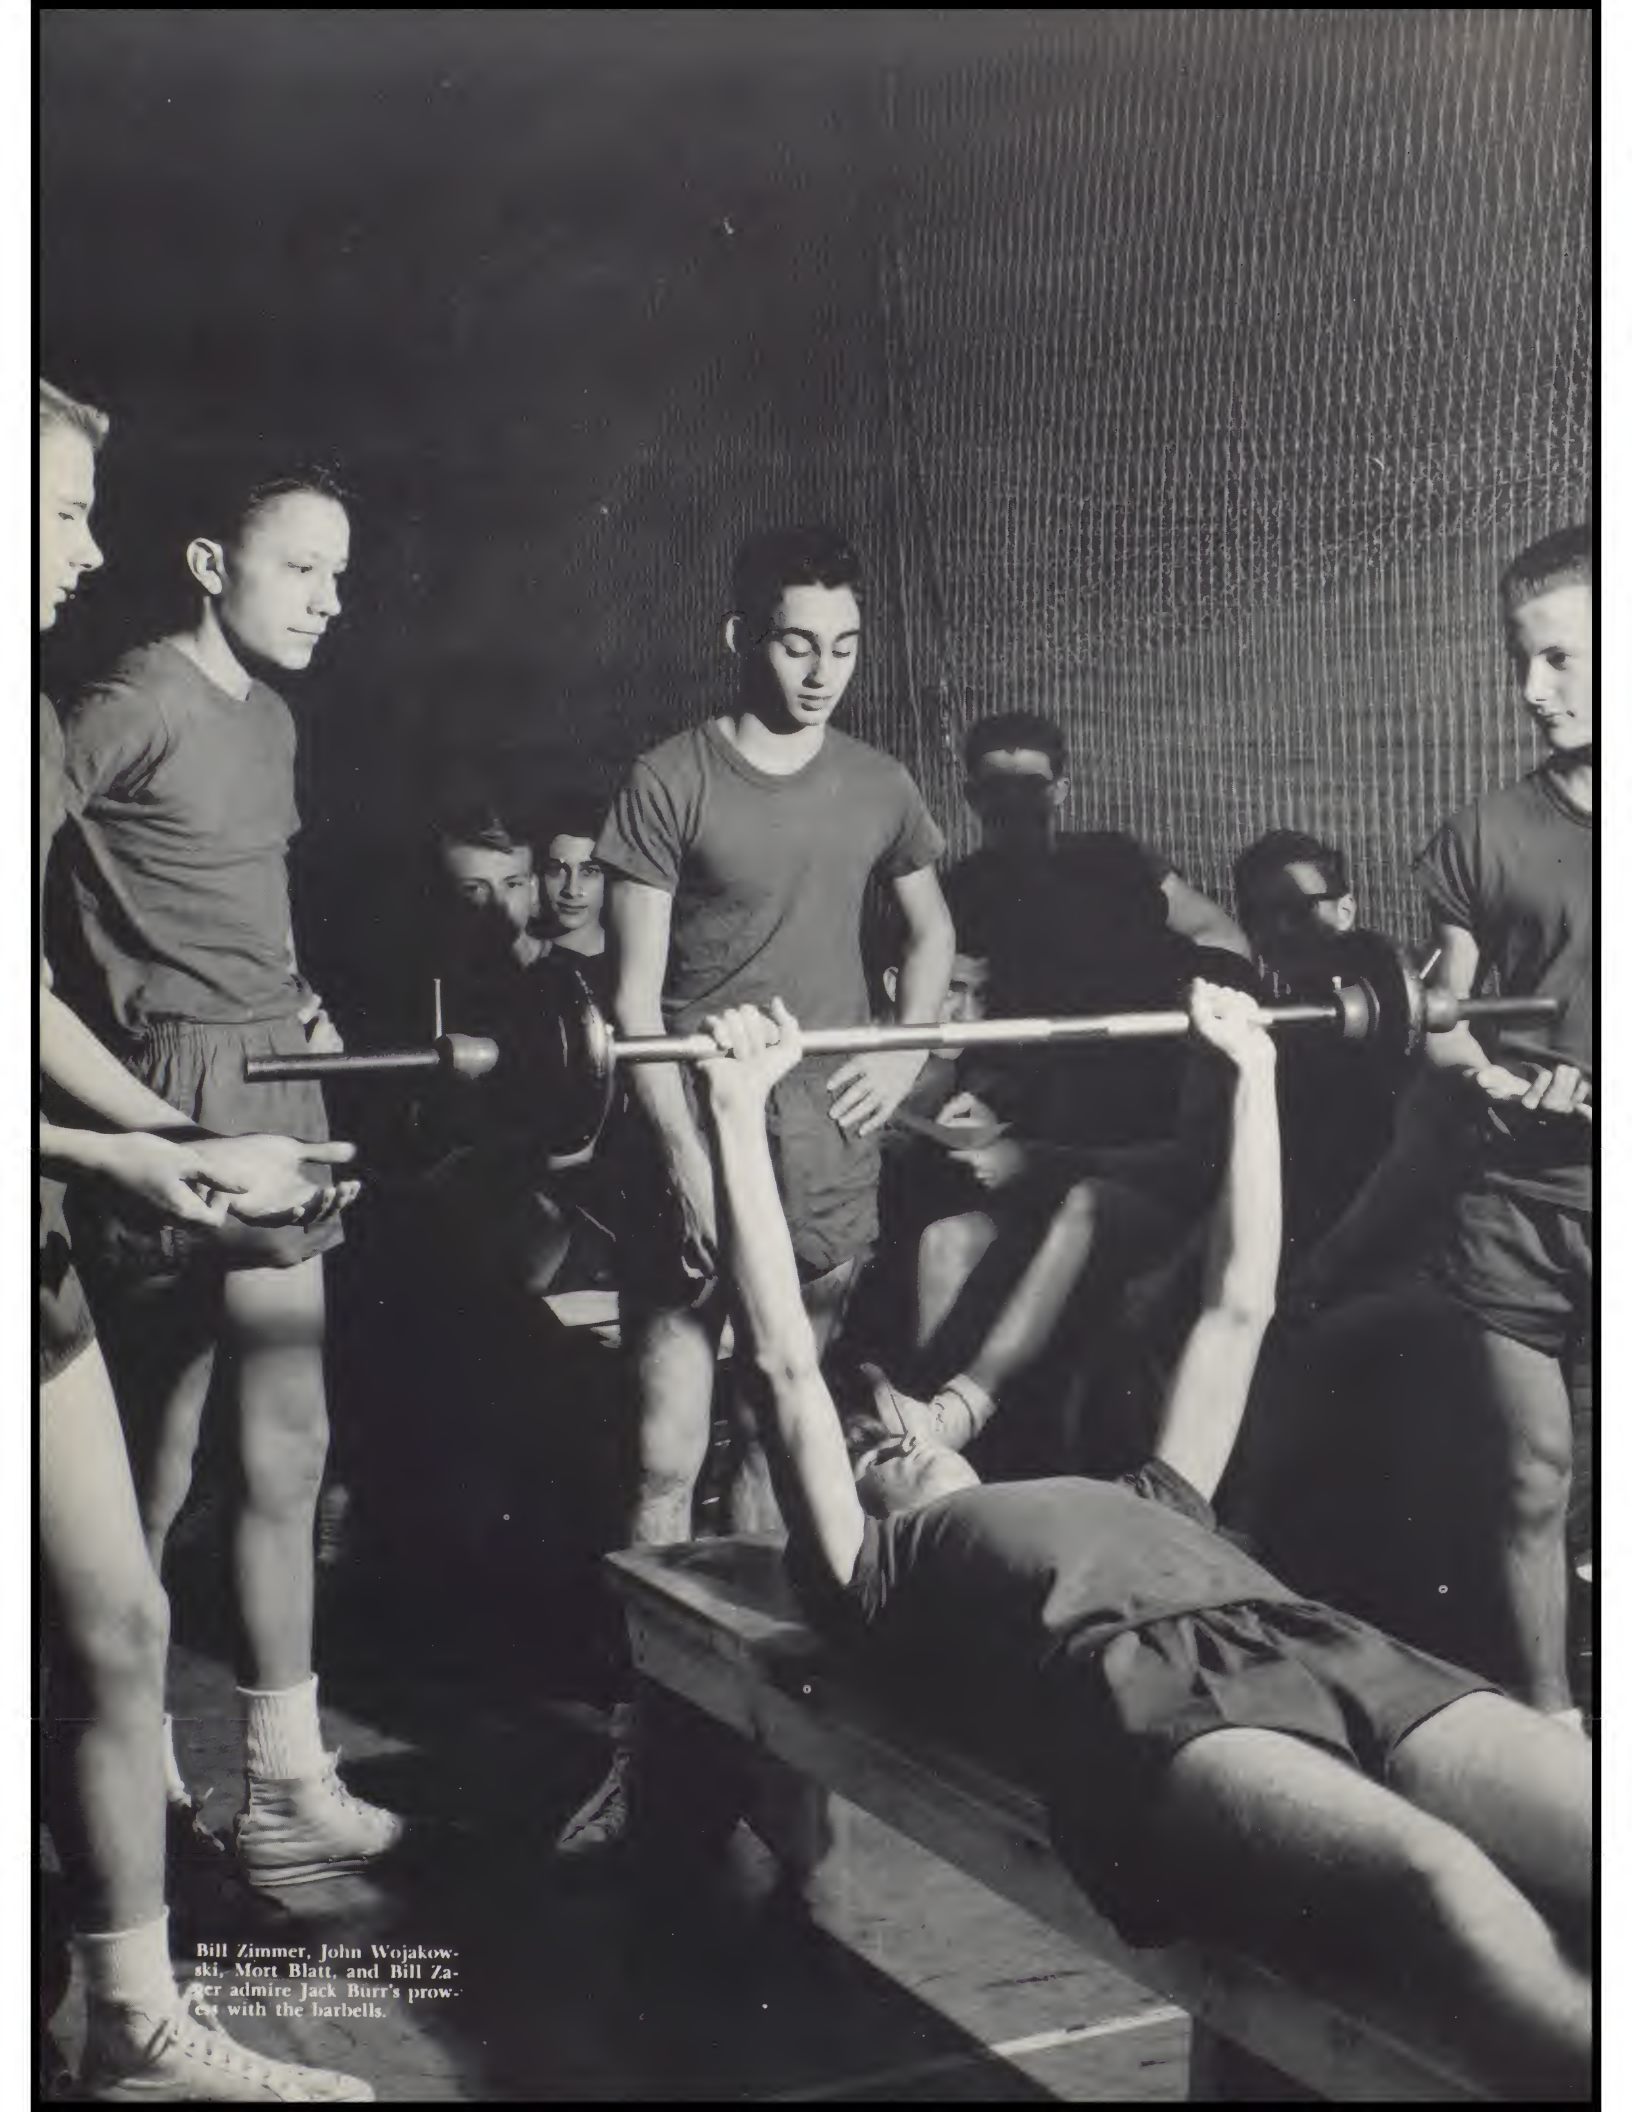

"Don Kuehn on sax . . ."

"Take time for music — it is all of heaven we have below. Take time for art — it is the expression of one soul talking to another. Take time for make-believe — it is the source of imaginative creation." Through music, art, and drama, we find a beauty that can be found in no other way. The Music and Art Departments strive to create in all students a keen enthusiasm for, and appreciation of, the fine arts.

The courses in the Music Department are divided into two groups — vocal and instrumental. These groups perform for the school on special occasions. The Art Department stresses the fundamentals of drawing, sculpture, and design in first year courses. Advanced techniques, such as three dimension, are taught in Art III and IV.

The various phases of wire sculpture are shown by art students Bob Goode, Arlene Rubenstein, Asa Oye, Tom Townsend, and Connie North.

Bill Zimmer, John Wojakowski, Mort Blatt, and Bill Zager admire Jack Burr's prowess with the barbells.

One-hundred one, one hundred two . . .

Niles West stresses physical fitness as well as mental achievement.

A nation of strong bodies and sound minds is obtained only through physical and mental exercise. Realizing the importance of building young boys into men, the Boys Physical Education Department has designed a program which it hopes will create a healthy attitude in the minds of all boys. The boys are fortunate in having not only fine teachers, but

also one of the most well-equipped gymnasiums in the country.

Using this fine apparatus, Freshmen and Sophomores have the opportunity to learn the fundamental skills and rules of many sports. The physical education activities of Juniors and Seniors are devoted to competitive sports, in which they learn individual coordination and team sportsmanship.

Ron Thigpen drives for the pin over Ken Baumhardt.

Fitness, agility, and safety are the three aims of gymnastics, as illustrated by the trio of Don Saltzman, Ricky Kreiter, and Colin Corcoran.

Developing poise and co-ordination is acquired in Girl's Physical Education.

To establish habits of good health, to provide students with recreational and rhythmical skills, and to improve techniques of co-ordination and posture — these are some of the objectives of the Niles West Girls' Physical Education Department. In an effort to fulfill these objectives, the Physical Education teachers select activities which they feel will interest girls in keeping physically fit even after their schooling has been completed. It is necessary to have a sound, healthy body so that the mind will function well.

Physical education classes vary in subject matter but usually involve some kind of physical exertion. The entire course of study is designed to promote healthful living.

Level and focus, techniques in modern dance, are demonstrated effectively by Kathy Faber, Trude Brei, Esther McLean, Connie Nichols, Sharon Crampé, Cheryl Wilson, and Penny Olympios.

On the clay courts we get a racket eye's view of Robin Reid's forehand.

Dorothy Matter protects her goal against the determined attacks of field hockey players Dianne Taylor, Evelyn Zuckerman, Julie Codell, Gail Benzel, and Elizabeth Fagerstrom.

Good driving techniques encourage safety on the road.

Chicagoans, it must be said, will know the need for Driver Education — our effort includes a timely warning to "scatter."

Through the driver training courses now offered at Niles West, the department aims to help lessen the nation's alarming death toll on the streets and highways. The full course in Driver Education is divided into three sections — classroom, drivo-training, and behind-the-wheel instruction. When the student has completed this program, he is ready to take the State driver's examination.

Dr. Clyde Parker, Superintendent, has devoted himself to promoting high educational standards at Niles West.

To the Students of the
West Division School

Dear Friends: .

I am pleased to greet you during your first year in a brand new high school. It is a thrilling experience to observe all of your activities and your citizenship as you help to create a completely new educational institution. Traditions and patterns of which you will be proud for many years to come are now being developed by you. Your new and first yearbook is symbolic of pride in your school, and I, with the faculty, have noted the carefulness by which you go about your tasks. I certainly wish for you, the students of the West Division School, the best that may come your way now and in the years to come.

Sincerely yours,

Clyde Parker
Superintendent of Schools

Mr. Paul J. Houghton, Assistant Superintendent, manages administrative services.

Central Administration

The Central Administration, making certain that all ideas in technique and skill of learning are achieved, helps guide the students through the educational problems of their "high school careers." Concerned with the understanding of knowledge, the administration tries to make Niles a school in which the student finds both educational opportunity and an atmosphere congenial to all phases of high school life.

Mr. Stuart A. Anderson, Assistant Superintendent in Charge of Curriculum and Instruction, plans and arranges academic structuring for the school year.

Dr. Donald Strahan, Assistant Principal in Charge of Sophomores, counsels as well as disciplines students.

Dr. George Gilluly, Assistant Principal in Charge of Freshmen, feels that being new at Niles is not a handicap.

WEST DIVISON ADMINISTRATION

The duties of Niles West's Administration are more closely associated to the promotion of good student-teacher relationships than any other administrative body at Niles. During the past year, these men have capably faced and solved many of the problems of an ever-growing high school. Though Niles West may be a new four-year high school, these men have set its pace so that Niles is even now making its mark in the the Interim League.

Mr. Arthur Colver, Assistant Principal in Charge of Seniors, directs all student activities according to school policy.

Mr. Anton Schubert, Assistant Principal in Charge of Juniors, spends a great deal of his time directing Student Accounting.

Guidance Department Aids Necessary Services Rendered

Mr. Onand Ruyle, Staff Director of the Summer and Adult Evening Schools, coordinates curriculum taken by adults as well as by students.

Mr. Ted C. Coburn, Director of Audio-Visual Education, structures the quality and quantity of films that are shown at Niles.

Three of the least publicized departments at Niles West are the Adult Evening School, the Guidance, and the Audio-Visual Departments. These three divisions are necessary as the student cannot learn from his text books alone.

Our school could not continue to function properly in the light of today's dynamic concept of progressive education. The student needs counseling to plan his courses and visual aids to interpret them. Evening School contributes to the further education of the citizens of Niles Township.

Dr. Arthur H. Ryden, in charge of Guidance and Testing, heads one of the most important student services at Niles West.

Problems and Social Adjustments

By Capable Directors

Mrs. Mary Rosenthal, school social worker, helps students solve student-parent and student-school problems.

Directly across the hall from the West Division Main Office is a department whose purpose is to guide and assist the student with both school problems and social adjustments. The Guidance Department consists of nine counselors, one social worker, and two secretaries. Each advisor keeps his own student files and schedules, college materials, and scholarship information to which he can refer in advising students. Without the capable assistance of the guidance staff many students would have difficulty making the decisions so necessary in high school. Guidance Counselors are (r. to l.) Mr. Donald Harper, Mr. Willard Larsen, Mrs. Arlene Lettas, Mr. Walter Cocking, Mr. Tom J. Thomas, Mrs. Susan Bernstein, Mr. Harold Sortal, and Dr. Wayne Wigell.

Mr. Charles Coker ably and efficiently performs the important duties of Staff Director of the Business Office.

Each day the Central Business Office is engaged in the problems of bookkeeping, finance, and community relations. Purchase orders must be processed; employees must be paid on time; the clerical and custodial staffs must operate efficiently; the school budget must be kept balanced. The work done by Mr. Coker, Mr. Ohlson, and Mr. Herbst helps Niles West function smoothly. Under their able and willing guidance, this school can look forward to many years of effective operation.

Mr. Clifford Herbst, assistant to Mr. Coker, makes certain that the Business Office functions properly.

Mr. Harold R. Ohlson, Staff Director of Research and Publications, supervises publications concerning Niles.

Organizations Aimed at School Welfare

Help Maintain Good School Community Relations

Mr. Harold Isaacson, Director of Niles West's Athletic Activities, correlates sports events in both East and West Division.

The P.T.A., Boosters, and the School Board are three adult organizations which help promote school improvement and enthusiasm. In our new four year school the P.T.A. is striving to introduce a working relationship between the faculty and the parents. The P.T.A. sponsors a monthly newsletter, *Smoke Signals*, and an annual open house to acquaint the parents with the operation of the school system.

By imparting information concerning school athletic activities to the parents, the Booster Club encourages student-parent morale. The Boosters sponsor buses to and refreshments at athletic events. This year they donated the Homecoming Parade trophies and have sponsored a Regional Cage Tournament Hospitality Room. The monthly meetings of the club are informative, in that a different coach speaks at each meeting.

Our dynamic School Board is confronted with the monumental task of overseeing all the activities of Niles West. Among their numerous duties are the planning of the budget and the formulating of school policy, the hiring and firing of teachers, the approving of text books, and the planning of the North Site.

The interest of all these men and women is directed toward a closer relationship with the student body. The above activities and meetings promote fuller understanding between faculty, student body, and parents.

Members of the Booster Club are: (Seated left to right) Mrs. Eugene Evans (Secretary), James A. Yardley (Vice-President), Mr. Fredrick Gilbert (President), Dr. T. Nicholas Mannos, Mr. Irvin Hoffenberg (Treasurer), and Mrs. Jean Hill (Recording Secretary). (Standing left to right) Mr. John Handzel, Mrs. Archer, Mr. E. Artwick (Director of Seniors), Mr. H. Barclay (Director of Freshmen), Mr. E. Bruksch (Director of Sophomores), and Mr. J. Jobst (Director of Juniors).

The School Board consists of Mrs. Herman S. Bloch, Milton Falkoff, John H. Speer, Kenneth E. Littrell (President), Francis Saunkers (Secretary), John M. Man, and Jacob W. Shapiro.

Members of the PTA are (left to right, sitting) Mrs. J. Ostermeier, President, Mrs. Samuel Schlocker, Vice-President. (left to right, standing), Mrs. Herbert Novitt, Treasurer, Dr. Mannos, Mrs. H. Douglas Steele, Recording Secretary, and Mrs. Raymond Benzel, Corresponding Secretary.

FACULTY

Education has always played an important role in American democracy. From the days of the Declaration of Independence to present time, Americans have realized the necessity of public education for political, social, and economic progress. President Eisenhower is quoted in a pamphlet published by the Educational Policies Commission as saying:

"Because our schools help shape the mind and character of our youth, the strength or weakness of our educational system will go far to determine the strength or weakness of our national wisdom and our national morality tomorrow. That is why it is essential to our nation that we have good schools. And their quality depends on all of us."

Unity is a factor necessary to schools if they are to fulfill their purpose as defined by President Eisenhower. Yet, unity in sports and school spirit is not the only type of combined effort needed to keep a school strong. If the educational program is lacking unity, then nothing will come of efforts of the school. With this thought in mind, the teachers of Niles West strive to present the best possible educational program to the students of all grade levels. Each subject department is a small unit of one force working continually to provide the best program possible for the student. The faculty of Niles is comprised of highly qualified men and women who are striving to help the students make Niles "the best in the Midwest." Under the guidance of these men and women Niles West is making a name for itself as one of the educational centers of the Chicago Suburban Area.

In family living, seniors Lori Immergluck, Sherry Otto, Carole Blumenthal, and Barry Robins look on as Mr. John Handzel explains some principles for home management.

Niles West and East were visited from January 2nd to February 8th by Dr. Dattaraya Gokhale, Principal of the New English School in Satara, India. He was sponsored by a program administered by the United States Bureau of Educational and Cultural Affairs. The intent of the program is to allow the exchange educator to share the ideas, customs, history, culture and educational affairs of his country with those of another country.

Married and the father of one child, Dr. Gokhale, an administrator in secondary education, is interested in mental maturity and aptitude placement, and in special programs for limited and gifted students.

Dr. Gokhale compared the position of teachers in America to the teachers in India. He said that while the teachers get more salary and live better in the United States, their status is not comparable to that of a teacher in India.

Secretarial Operations Aid Administrators and Students

Most of us have little contact with Niles' secretarial staff, but our school could not continue without these women. Attendance Office secretaries maintain organized student records, check truancies, and issue detentions. Secretarial operations in the Guidance Office include the maintenance of student testing records and aid to the guidance counselors. To file cards and to aid students are jobs of the library clerk-typists. The secretaries of the Business Administration Department capably handle budget and supply problems. Furnishing aid to the administrators and handling registration problems are a few of the jobs which the Main Office secretaries handle. Central Office secretaries facilitate direct assistance to the administrators by typing letters, arranging conferences, and making appointments. Many of us take for granted the duties of these secretarial staffs, but they are certainly not to be overlooked as essential parts of our school.

Main Office Secretaries are E. Zehnle, M. Schulholz, H. McGinnis, D. Scanlan, R. Oswald, M. Bellezzo, R. Ethelhubert, R. Miner, B. Novotny, and M. Thomas.

Central Office Secretaries are J. Stallery, M. Marshall, E. Ahlstead, L. Lubin, G. Leapley, F. Stacy, H. Jennings, and H. Johnson.

Attendance Office Secretaries are M. Ricahev, M. Maggio, B. Bridget.

Guidance Office Secretaries are R. Bernstein, and E. Anderson.

Library Clerks are K. Balko, B. Blum, and S. Szymanski.

Business Office Secretaries are M. Fabian, C. Rodopoulos, R. Sowinski, M. Graham, H. Snyder, and L. Norris.

The School Is Safe And Sanitary Because of Conscientious Maintenance

The Custodial Staff (not all pictured here) manages the entire maintenance of the building twenty-four hours a day.

Nourishing meals, sparkling windows, and the attractive campus are only some of the results of the efforts put forth by the custodian and cafeteria staff. Preparation of nutritious and pleasing meals is taken care of by the women who comprise the cafeteria staff. Technical facilities of the school are capably maintained by the custodial department. These people are important to us not only for the duties which they perform, but for their friendly and helpful attitudes. Though often behind the scenes, these people are appreciated by Nile-hi students and faculty alike for their all-important services.

The ladies of our Cafeteria Staff prepare and serve well-balanced meals to students every day.

SPECTRUM

In September, students submitted applications for yearbook staff membership. These applications were considered by Dr. Nicholas Mannos and by yearbook sponsors Mrs. Lois Fisher and Mrs. Deborah Gould. The staff was finally chosen and the members began to compile Niles West's first annual, which after much deliberation, was named *Spectrum*. Believing that the student at Niles is a composite of many things—laughs, frowns, sighs, smiles—and expresses himself in many ways—classwork, sports, drama, music—the *Spectrum* Staff endeavored to record these expressions and the school year of which they are a part. The colorful blending of all this forms the first ray or "spectrum" indicative of the personality of Niles West's first student-faculty-administrator body.

Co-editors-in-chief, JoEllen Pfeiffer and Julie Gordon, discuss the first proofs of the Academic section of the 1962 *Spectrum*.

YEARBOOK EDITORS

Kneeling: Carolynn Merrill (Faculty), Susan Stauber (Index), Merle Dorfman (Academic), Lynne Chamlin (Academic). Sitting: Julie Gordon (Editor-in-Chief), Jane Levin (Senior), Lois Karch (Senior), Sharon Roberts (Literary), Andrea Hoffman (Literary). Standing: JoEllen Pfeiffer (Editor-in-Chief), James Carder, Gretchen Anderson (Special Events), Michael Duhl (Sports), Denise Greenberg (Underclassmen), David Hoglund (Public Relations).

YEARBOOK SENIOR STAFF

First Row: Jane Levin, Lois Karch (Co-Editors) Second Row: Virginia Burns, Geraldine Stocker, Patricia Fulkerson, Karen Osney, Alice Barnow. Third Row: Joyce Greenberg, Marlene Brooks, Susan Stauber, Dolores Brusin, Judith Rosenthal.

SPECTRUM GENERAL STAFF

Charlene Linick, Marianna Westphal, Janet Myles, Barbara Marks, Karen Osney, Marc Lane.

"Dummy sheets," "cut-lines," "copy," and "cropping" were familiar terms to the members of the *Spectrum* staff as they gathered in Room 325 to compile Niles West's first annual. Every afternoon, since early last fall, they worked diligently with one idea in mind: MEET THAT DEADLINE! The smiles on the faces of Lynne Chamlin, JoEllen Pfeiffer, David Hogg-lund, and Michael Duhl seem to indicate that the attainment of this goal is near.

WEST WORD EDITORS

David Nelson (Sports), Alice Barnow (Feature), Karen Osney (Editor-in-chief), Helen Ann Dugan (News), Asa Oye (Picture).

WEST WORD

On September 29, 1961, Niles West students received the first issue of the *West Word*, bi-monthly student newspaper. Since that first issue, the *West Word* has become an integral part of school life, for no story is too big or too small for publication. Through comprehensive reporting and thought provoking editorials, the *Word* has established itself as the voice of the student body at Niles West. In an attempt to function as a "News" paper, rather than as a rehashing of the daily bulletin, the *Word* has successfully scooped such news as the election of Homecoming Court, results of Student Council election, an on-the-scene account of the Big Red locker room moments after the Wheaton game, and, more recently, the staff has conducted the traditional Senior Survey, the results of which appear in the final Senior Issue.

WEST WORD STAFF

ART CLUB

ARTISTS CLUB

Arts Club and Artists' Club are devoted to the development of cultural aspects at Niles West. The Arts Club pertains to the "Seven Lively Arts;" architecture, dance, drama, literature, music, painting, and sculpture. Members of the Artists Club endeavor to develop fine techniques in art and to appreciate the techniques and skills of others.

VIVACE

In the Music Department at Niles West, the advanced vocalists are placed in the choir. The voices of the boys and girls in this group are blended in such a way as to produce an effect different from that of the individual boy and girl glee clubs.

Being a member of choir is an honor and privilege. Only one other group holds the same distinction—Vivace Choir. Vivace members are especially talented, for, in addition to being able to sing, they must be able to play a musical instrument, preferably the piano.

Both Choir and Vivace delight audiences during their performances at Niles West's musical programs.

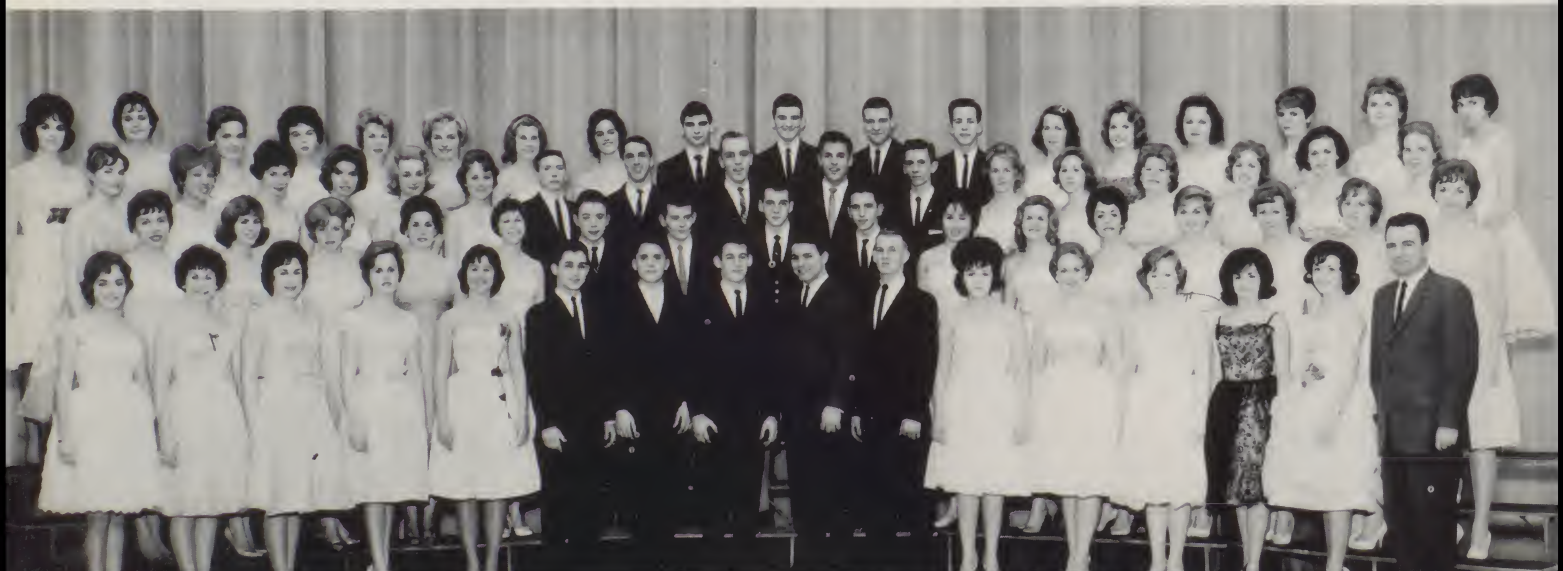

CHOIR

Top Row: Judith Fine, Arleen Mayer, Roberta Benson, Paulette Cinman, Anita Doczekalski, Barbara Young, Nancy Steinseifer, Mary Aggen, Michael Berger, Alan Scheufler, Phillip Moss, John Fields, Elizabeth Stengl, Lynn Johnson, Susan Fox, Joanne Worthington, Diane Austin, Amelia Gabriel.

CHORAL GROUPS

Left to right: Mark Reitman, John Puccinelli, Michael Hansen, Harvey Margolis, Robert Anderson, Phillip Kohl, David Helmer.

BARBERSHOPPERS

Almost everyone enjoys singing because song can lift our spirits or cause us to reflect upon past moments. The members of the boys' and girls' glee clubs have an opportunity to sing everyday under the direction of Mr. Hugh McGee.

Harmony, of course, very important in the work of the glee clubs, is a prime concern of the barber-shopper group. Although the complex vocalizing of the Barbershoppers is pleasant to hear, euphony is not a simple feat. The boys spend many pre-school hours perfecting their styles.

The final result of this rehearsal time is then enjoyed by those who attend the excellent musical performances at Christmas and in the spring.

BOYS GLEE

First Row: Ira Weiss, James Lees, Yale Samole, Allan DiSalvo, Barry Gilbert. Second Row: Mark Harris, Leonard Bennett, Michael Rudowicz, Leonard Koenig, Michael Checkopoulos, Lawrence Ross.

NATIONAL HONOR SOCIETY

First Row: Patricia Fulkerson, Charlotte Rosenfeld, Susan Stauber, Charlene Chang, Ann Kazanow, Justine Varney, Sharon Roberts. Second Row: Barbara Lauerman, James Carder, Fred Artwick, Marvin Davis, James Swinger, Susan Cook.

Election into National Honor Society and National Thespian Society is based on merits accumulated since the Freshman year. Scholarship, character, leadership, and service are the qualifications for National Honor Society. National Thespians requires 100 hours of work on dramatic productions for membership.

NATIONAL THESPIANS

Seated: Diane Seligman (Sec'y.), Judith Rosengard (Pres.), Richard Lavin (Vice Pres.), Mrs. Eileen Zelznick (Sponsor). Standing: Donna Harrison, Janice Goldfeder, Peggy Singer, Allan Witzel, Francine Uditsky, Joseph Schmidt, Debra Rosenberg, Terrie Brusman, Susan Bernstein, Holly Semiloff.

First Row: Lisa Lubin (Treas.), Susan Seidman (Rec. Sec'y.), Allan Witzel (Pres.), Susan Cooper (Vice Pres.), Joyce Koppman (Financial Sec'y). Third Row: Mrs. June Finfer (Sponsor), Jill Kurti, Betty Newman, Miriam Fried, Jon Conrad, Leonard Bramson, Barbara Belgrade, Arlene Kaplan, Nancy Karch.

SPOTLIGHTERS

For the first time, Spotlighters, one of Niles West's dramatic organizations, has limited its membership to Freshmen and Sophomores. The first two years the students work on Spotlighters' two major productions, "An Evening in the Spotlight" and their Spring Play, in order to accumulate the ten required points for Thespian membership.

National Forensic League entails everything from Debate and Oratory to Radio Broadcasting. By participating in tournaments with other schools, students can earn the necessary 25 points for membership in the National League.

NATIONAL FORENSIC LEAGUE

Richard Littrel demonstrates techniques of good debate to fellow Forensic members. First Row: Joan Glassberg, Sherry Herman, Susan Cooper. Second Row: Thomas Roberts, Susan Lewin, Corinne Grayson.

FOREIGN LANGUAGE CLUBS

Learning a language can be done in a classroom. But, for the student who seeks to enlarge his understanding of the peoples, customs, and ways of life in other countries, there are the foreign language clubs. The students of French, German, Spanish, and Russian have formed clubs so that they can enhance their knowledge beyond the required work in class. Banquets and holidays are celebrated in traditional ways to add atmosphere and culture to the language being studied.

First Row: Marlene Brooks (Pres.), Loreli Neubarth. Second Row: Maureen Karlin, Barbara Fimoff, Jill Kurti, Joyce Greenberg. Third Row: Robert Levin, Susan Pifke (Treas.), Janis Roman (Sec'y.), Lona Hartman. Fourth Row: Jeffrey Tieger, Amy Heppner, Margo Berndt, Darlene Dell. Fifth Row: Patricia Fulkerson. JUNIOR-SENIOR MATH CLUB OFFICERS

Clockwise: Thomas Ladd, Ann Kazanow, James Swinger, Terry Ostrowski, Patrick Kamm.

FROSH-SOPH MATH CLUB

Mark Harris, Bruce Bolnick, Jon Conrad, Jeffrey Graff, Herbert Greenman, Sherwin Levin, Aleander Panos.

ACADEMIC CLUBS

ASTRONOMY CLUB

Seated: Richard Littrell (Pres.). Standing: Michael Decker (Vice Pres.), Ronald Ditthardt (Sec'y.), Ronald Horlick, George Goldberg, Wendell Carlson (Treas.), Michael Lieberman, Don Pearlman (Publicity Director).

Academic excellence is the major goal at Niles West. In order to give the interested students more insight in specialized fields, four extra-curricular, academic activities have been formed: two Math Clubs, Astronomy Club, and Biology Club.

Both the Junior-Senior and Frosh-Soph Math Clubs challenge intricate problems in order to advance math learning and methods. The newly formed Astronomy Club studies the positions and phenomena of the heavenly bodies. The Biology Club helps the student achieve a more thorough knowledge of this science than can be offered in the classroom.

BIOLOGY CLUB

First Row: Kenneth Flammang, Paul Davidson, Richard Hellman, Michael Krupnick. Second Row: Barry Ashkinaz, Paul Alonas, Ethan Braunstein, Ronald Horlick, Todd Gracen.

FNA

First Row: Lynn Johnson (Cor. Sec'y), Margaret Anderson (Sec'y), Marianne Zalud (Pres.), Rosemary Kohler (Vice Pres.), Barbara Ederer (Treas.), Second Row: Carolyn Nelson, Elizabeth Gallen, Lea Beaubien, Claudia Novotny, Brenda Silverman. Third Row: Cheryl Faintuck, Sheila Kazmierczak, Kay Patterson, Judith Erickson. Fourth Row: Rosalie Berman, Karen Nord, Martha Sherman, Joan Clauson, Linda Landerholm. Fifth Row: Judith Landauer, Nancy Grauman, Joanne Rust, Barbara Sinkule. Sixth Row: Barbara Kramarczyk, Marcia Niclas, Gloria Talias, Kathleen Mitz.

Third Row: Cheryl Davis, Virginia Butzow, Maureen Karlin, Idalee Frankenstein. Fourth Row: Arlene Feldman, Lee Adami, Sandra Hepburn, Barbara Fimoff.

VOCATIONAL CLUBS

Future Nurses, Future Teachers, and Pins and Pans provide experience to prepare for the future. Field trips, guest speakers, and group activities give these girls an opportunity to develop good teaching methods, nursing techniques, and domestic skills. With "future" as the key word, these girls work steadily and eagerly.

First Row: Diane Rutkowski, Dianne Hunter, Barbara Rek (Sec'y.-Treas.), Second Row: Phyllis Berndt, Linda Brehnal, Barbara Kramarczyk, Diane Selzer, Renca Behrens. Third Row: Christine Hajduk, Diane Thiede.

PINS & PANS

CAMERA CLUB

Members of Camera Club display and discuss pieces of photographic art. Paul Brietzke (Sec'y.), Patrick Kamm (Pres.), Robert Goldstein, Barry Kreisler (Treas.), Gregory Foster, Michael Hansen.

CHESS CLUB

All eyes are on the chessboard as members of the Chess Club await a decisive move. First Row: Michael Lieberman, Sharon Swanson, Charles Goldberg, Fred Diamond, Fred Rosen. Second Row: Robert Arnston, David Alex, Dennis Klein, Richard Martinez, Douglas Lipman, Marvin Adler, Miss Cary Jackson (Sponsor).

ENJOYMENT AND SERVICE

Discovering the intricacies of various cameras, the boys in the Camera Club learn techniques for advanced photography. With film and flash bulbs these boys are well on their way to becoming experienced cameramen.

Concentration is the basis of the intriguing game of chess. The members of the Chess Club try to out-manuever the opponents in their own club and other schools in the battle of wit and skill for a checkmate.

Ushers Club is another of the many service organizations at Niles. The girls belonging to the club attend all the functions at Niles where they are needed to distribute programs, check coats, and seat audiences. The experience gotten at school events allows them to usher at various down town shows, adding enjoyment to their job.

First Row: Priscilla Meuer (Treas.), Virginia Burns (Pres.), Nancy Muth (Vice Pres.), Janet Day (Sec'y.). Second Row: Brenda Silverman, Kathleen Graves, Carolyn Nelson, Paulette Gerard, Claire Balin. Third Row: Carol Ferraro, Barbara Marks, Phyllis Morris, Antoinette Lyons, Linda Schmid. Fourth Row: Martha Herzon, Sharon Youngkrantz, Barbara Young, Barbara Rek. Fifth Row: Sharon Basara, Cheryl Wilson, Virginia Classen. Sixth Row: Betty Sielski, Nancy Steinseifer, Diana Rutkowski, Sally Strahan. First Row: George Jackson, Edward Gold, Catherine Ann Kuhn, Dilara Pearson. Second Row: Stuart Levin, Jo Ann Noto, James Allison, Wayne Semmerling, Walter Janus, Robert Connelly.

AUDIO-VISUAL AIDS

The audio-visual aids operators and the Radio-Electronics Club members have an opportunity to handle technical equipment, such as radio sets, movie projectors, and tape recorders. The AVA Club is especially helpful to the school, for its members operate the Audio-Visual Aids Department's equipment when it is being used in classrooms.

RADIO ELECTRONICS CLUB

First Row: James Mikolay, William Brier, Michael Smith. Second Row: Steven Rothblatt, Richard Kazelak, Daniel Pinch, Wayne Semmerling. Third Row: Roger Williams, Robert Lange, Robert Bartholomew, Steven Peters, Gary Filko, Gary Stevens, Harold Clyman. Fourth Row: Steven Redman, Roger Harvev, Bruce Dingman, David Merrill, Robey Swartz, Norman Glach, Douglas Christensen.

SSO

EXECUTIVE BOARD

Ruth Dorrian, Howard Cohen, Michael Duhl, Robert Lawler.

Since the Spring of 1961, when they were chosen, the members of the Student Service Organization (SSO) Executive Board have worked with the Director of Student Activities to form one of the most effective organizations at Niles West. The members of the Executive Board formulate policies, assign positions, and check details of every facet of SSO: Student Supervised Monitors (SSM), Student Supervised Study Halls (SSSH), and Receptionists. With an or-

ganization membership of 360 students, the job of instilling self-discipline and respect for school regulations is achieved. SSO depends largely on the maturity of the student body as leaders and followers.

The SSSH supervisors are responsible for the smooth execution of rules in all study halls. Supervisors check the work of the chairmen and secretaries to insure efficiency.

SSSH SUPERVISORS

First Row: Robert Lawler, Elizabeth Burkhardt (Head Secretary), Kenneth Smentek, James Eckmann. Second Row: Robert Lukes, Robert Herkert, Gerald Turry, James Hart, Howard Berger.

SSM SUPERVISORS

First Row: Thomas Beddia, Michael Thiry, Paul Roberts, Esther McLean. Second Row: Howard Cohen, Kenneth Latimer, Stewart Leavitt, Steven Shipka, Craig Gornstein.

Student Supervised Monitors (SSM) includes all hall and library monitors. The supervisor of each period assigns monitors to posts and checks their attendance. Each period there are approximately 20 monitors stationed at various posts in the building to assure that each person in the halls has a right to be there.

Included in the services of SSO are the receptionists. Each period of the day, these girls attend to the main secretarial duties in the SSO Office.

SSO RECEPTIONISTS

First Row: Ruth Dorrian, Virginia Burns, Lois Karch. Second Row: Merle Yablin, June Haerle, Jane Levin, Starr Braverman.

STUDENT COUNCIL

Student Council, Niles West's governing body, began the year as a new organization. The inauguration of the new representative system proved to be successful.

As a new governing body the first matter at hand was a constitution. It was written, adapted and ratified to accomodate a growing student body.

Council began in 1962, as a member of the Interim League Council Organization. It established itself as an active member by playing host at a dinner for Interim Council members. After this Council continued its many other activities, which included: The organization of a Safety Council, the founding of Big Chief Red, the establishment of Red and White Days, and the initiation of Student Government Day.

STUDENT COUNCIL OFFICERS

UNITY BOARD

Relaxation and enjoyment is the purpose of all Student Unions. Each dance is unique; everything from the Christmas Dance, "Mistletoe Memories," to the "Peppermint Lounge Twist Party" was presented this year. The Unions don't concentrate on dancing alone. Featured at every dance is a full-length motion picture.

Student Union Board participates as actively as any other organization to promote school spirit. Homecoming proved this when the members of the Board built their Class A float. The pep assembly given by the Student Union Board further illustrated the willingness of this group to partake in many events.

Unity Board, a newly-formed organization at Niles, is composed of the Presidents of all other activities. This group will try to bring about greater cooperation among the extra-curricular activities at Niles West.

HI-Y AND TRI-HI-Y

"To promote, maintain, and extend throughout the home, school, and community, high standards of Christian character" is the motto of two Niles West service organizations—Hi-Y and Tri-Hi-Y. These two groups are affiliated with a suburban chapter of the Y.M.C.A.

The activities of Hi-Y this year included selecting the recipients of the Hi-Y Citizenship Awards, sending representatives to the University of Good Government, an activity of all Illinois Hi-Y Clubs, and planning a Father and Son Banquet as the highlight of the year. Tri-Hi-Y held its traditional induction ceremony, a club Christmas Dance, and an all-school Spring Dance. Together, these clubs built an excellent class "B" float for Homecoming.

Backing all activities with enthusiasm and school spirit is Niles West's Pep Club. Part of the credit for the many victories our teams have achieved can be attributed to Pep Club members. During the football, basketball and baseball seasons spirit was demonstrated with vigor. The Pep Club also lent its support at all the pep assemblies where, by themselves, they tried to cheer over the entire student body.

GAA

The Girls' Athletic Association is one of the largest and most influential groups at Niles West. The girls compete in such extra-curricular activities as tennis, field hockey, basketball, volleyball, and horseback riding. With the opening of our new pool, in February, G.A.A. began to offer senior life-saving, synchronized swimming, and co-educational free swim.

G.A.A., however, is not concerned only with sports. Their Turnabout Dance is eagerly awaited every spring by the Niles West population. This year, "Night of Knights" proved to be a huge success. This organization's Homecoming float added another first to their collection of awards, this year. The members of G.A.A. also have an opportunity to attend G.A.A. leadership camp, and to receive the Arlene M. Merz Memorial Scholarship for further schooling in a field related to physical education.

Above all, however, is the great group cooperation found in G.A.A., making it one of the best organized groups at Niles.

N-CLUB

Each Friday, bright red sweaters with white major "N's" can be seen in the halls. These sweaters, worn by the varsity athletes, signify membership in Niles West's N-Club. After a grueling initiation, the boys certainly deserve the privilege of wearing the sweaters that symbolize this serious, well-organized group.

Orchesis, a Greek word meaning rhythm, is the name of the newly-organized modern dance club. Precision is a basic quality which the girls must attain as they learn the fundamentals of interpretive movement.

INTRA-MURALS

The Niles West intramural program, in its first year of competition among homerooms strove to create good sportsmanship. The program offers such sports activities as tennis, football, bowling, and basketball to the boys of Niles West. As incentives, trophies are awarded to the homeroom which excels in each sport. The boys who participate in one of the most successful sports, bowling, meet at a local recreation center every week. Another activity, swimming, is limited to forty students during a free swim session, as a result of its popularity. These students obtain swimming passes from their physical education instructors. There is a limit of four passes per class because of the overwhelming response to the activity.

The great enthusiasm shown for the intra-mural program assures a definite future for this activity.

To Nilehi students, glistening batons and shining white boots are symbolic of the Majorettes, who add to the enjoyment of spectators at varied sports events and activities. The seven members work in cooperation with the Band, and practice fifth and sixth periods daily. The majority of their time is spent in preparation for annual parades and large shows. Besides backing the school with their talent, they contributed to the general spirit by building a float for the homecoming parade. The Majorettes also represented Niles West in an annual twirling exhibition held in March.

CHEERLEADERS

Varsity Cheerleaders

Dianne Taylor, Robin Wagner, Julie Codell, Barbara Starkman, Susan Stryker, Diane Anton, Carol Fink, Susan Vraney, Merrily Ballou.

Cheerleading is the most stimulating of all activities. The girls of the squad must maintain a minimum "C" average, as well as being in excellent physical condition. Varsity cheerleaders initiate spirit at all sports events, plan many of the pep assemblies, and participate in many other projects, such as a Homecoming float.

SPECIAL EVENTS

A fabulous Homecoming weekend, an Interim League title, a gala Christmas festival, and the first production of Redskins' Review are just a few of the many special events at Niles West which complement the scholastic program. Both students and faculty participate in the outstanding presentations at Niles such as the Interim League Hospitality Night to which the West Student Council served as host to eleven neighboring councils.

The Senior Class was responsible for bringing a celebrity to Niles—Bob Gibson, talented singer of folk songs. *Time Out For Ginger*, the first all-school play at West, was equalled only in quality by *Redskins' Review*, the variety show.

It is this enthusiasm and interest in activities and school improvement so readily exhibited by students which will help Niles West to maintain its reputation of vitality and school spirit.

RECAPTURE

THE HIGHLIGHTS OF THE YEAR

A Twilight Pep Rally Officially Begins

Coach Michael Basrak congratulates June Haerle on her election as Homecoming Queen.

Cheerleader Helen Perri yells her enthusiasm for "Kick Off '61."

To the ever-growing number of Homecoming traditions this year, Niles West added the novelty of a Twilight Pep Rally. Beginning at sundown on Friday of Homecoming weekend, the Rally was a foreshadowing of an exciting game and gala activities. During this Rally, held outside on the football field, the cheerleaders led the students in vigorous cheers and war chants.

While the cheerleaders exhibited their talents through

impersonations of the football players, the students showed the characteristic enthusiasm of Niles West's first sports season. As a termination of a week of suspense for all, June Hearle was selected to reign over Homecoming festivities. The combination of spirited cheerleaders, players, coaches, and students made the Twilight Pep Rally another "special" on the list of Niles West's successes.

Leading students in a victory yell are the varsity cheerleaders: Barbara Starkman, Michele Lazar, Carole Fink, Diane Anton, Robin Wagner, Julie Codell and Susan Vraney.

"Kick-Off '61"

June Haerle, Niles West's first queen, reigns over the festivities of "Kick-Off '61."

The first place winner in float competition is G.A.A.'s gigantic Indian.

Putting the finishing touches on the Junior Class float are Charlene Mueller, Dorothy Matter, Claire Tabel, Elynne Chaplik, Janet Carlson, Kathleen Ellis, Mary Aggen, and Marshall Fields.

The Homecoming Court, Karen Bonez, Arlene Orlove, Carole Blumenthal, and Nancy Nelson, and Homecoming Queen June Haerle watch the game from the sidelines.

The Indians' Homecoming Is a Success from Beginning to End

Left to Right: Michael Duhl, Sharon Swanberg, Arlene Arlove, Harvey Margalis, Jim Carder, June Haerle, Nancy Nelson, Bruce Miller, Jane Levin, and Daniel Braver dance to the music of "Indian Summer."

Joyce Greenberg and Mavis Lee experience a tense moment early in the game.

"Kick-Off '61" was a fulfillment of traditions and the precedent for many more. The students of Niles West have set the standards high for all future Homecomings by creating the enthusiasm and spirit necessary for true unity. Novel ideas, including the Twilight Pep Rally, were introduced; and students worked continuously during Homecoming week to insure spectators of a high quality float parade and to display the vitality of Niles West. June Haerle, Homecoming Queen, was not to be disappointed in her royal welcome by students and members of the community alike. The game which followed the gala parade was deserving of the festivities which surrounded it. Niles was victorious over Willowbrook, 33-19, and the victory spirit was carried through to the first Niles Homecoming Dance. "Indian Summer" was truly a fitting climax for the first Niles West Homecoming Weekend—a weekend not soon to fade from the memories of Niles West students.

Pompoms wave and students cheer as Niles scores another touchdown.

Student Co the First Int Hospital

Maine West students, Margaret Erickson and Robert Wolcott enjoy dancing in Niles West's student lounge.

On November 16, 1961, the Niles West Student Council was host to eleven student councils from the Interim League schools for a Hospitality Night. The visiting Student Council members were entertained in the student lounge and auditorium of Niles West. A smorgasbord type dinner was served in the cafeteria with each of the hosting Council members supplying a portion of the meal. The social part of the evening followed, as each school provided entertainment. The evening came to a close with music and dancing, during which the two hundred fifty representatives had the opportunity to become better acquainted.

Jay Brooks and James Davis of Wheaton and Mr. Michael Montgomery and Donald Murphy of Glenbrook are first to reach the buffet table where Doreen Zagen of Deerfield helps with the serving.

TIME OUT FOR GINGER SCORES A HIT!

On December 1 and 2 the curtain rose on Niles West's first all school production, *Time Out for Ginger*. Under the direction of Mrs. Eileen Zelnick with technical assistance from Mr. James Van Delinder, the fall play exhibited a high degree of dramatic skill of which Niles may be proud. Students learned and practiced the techniques of acting, the application of stage make-up, the handling of props, and the direction of plays. They spent long hours pounding flats, painting scenery, making costumes, and rehearsing parts. But the production of the play was not all work—it was friendship and co-operation, the unequalled excitement of an opening night, and the satisfaction of a job well done. "There's no business like show business" as far as Niles's young "dramatists" are concerned.

Richard Lavin, as Howard Carol, demonstrates the "old" high school spirit for his wife, Agnes, played by Terri Brusman.

As Eddie Green, Tom Gardner, and Ginger, Debra Roseberg, experience their first lovers' quarrel.

Joseph Schmidt, Terri Brusman, Tom Gardner, Peggy Singer, Debra Rosenberg and Richard Lavin enact one of the hilarious scenes of *Time Out for Ginger*.

The beauty and joy of the holiday session is presented through the music of the Niles West Music Department.

Music Resounds Through Niles West

SENIORS SET TRADITION

Music, a form of culture and education, has been introduced to Niles West in various forms. The Music Department, under the leadership of Mr. Hugh McGee, brought the Christmas spirit to Niles in the form of the first Christmas Festival. Vivace, Choir, the orchestra, and the glee clubs combined to present a program of traditional and modern carols.

However, an entirely different musical atmosphere was created when Senior Cabinet sponsored a Bob Gibson Concert. This famous folk singer, while accompanying himself on the banjo and eleven string guitar, sang songs from several countries. His comments between songs taught the audience much about folk music and the history of our country. Selections ranged from the ridiculous "Super-Skier" to the haunting English ballad, "Matty Groves."

The variety of music offered to students at Niles presented through these musical programs provides an excellent opportunity for them to broaden their musical knowledge.

Entertaining a capacity crowd, Bob Gibson presents an original folk song.

Michael Stavy, Sharon Crampe, Michael Duhl, Harvey Margolis, Gretchen Anderson, Sharon Swanberg, June Haerle, and Howard Cohen (gorilla) listen to James Carder's performance at a Student Union Mixer.

STUDENT UNION MIXERS PROVIDE ENTERTAINMENT FOR ALL.

The Student Union Mixers feature many attractions one night each month. Dancing, refreshments, and top-rate entertainment appeal to the interests of all. Clown Night, the theme of the November Mixer, featured folk singer Jim Carder and the N-Club Initiation. The fine athletes being initiated into the club were attired in feminine clothing, rubber galoshes, and other miscellaneous items. They appeared with their most treasured possessions: a shoeshine kit, a doll, four books, and a balloon. They cheerfully performed the tasks set out for them by politely addressing the N-Club members: "Good evening most honorable, respected, and modest N-Club member. It would please me greatly to shine your shoes! May I, Sir?" The antics of the boys made this Mixer, like all others, a most enjoyable evening.

Students Display Interest in Science at th

Mark Silvert, whose project concerning Hydrogen-Oxygen Fuel Cells won the grand championship, is congratulated by Mr. Ernest Sainers of Niles West's Chemistry Department.

Niles West was the center of scientific interest on March 13, 1962, when the annual science exhibit drew a vast crowd of spectators. Over 200 displays captured the curiosity of onlookers who noted not only the ingenuity of the colorful exhibits but also the immense amount of knowledge and time which the exhibits represented.

According to the originality and completeness of their projects, the students participating in the fair were awarded for their efforts. Students receiving first division awards were allowed to participate in the District Fair at Lake Forest College and later at the State Science Fair at Urbana, Illinois.

Mark Silvert was the recipient of the Grand Championship, a newly created award obtained by receiving the highest number of points. Mark's project on fuel cells excelled all other displays.

The projects exhibited at Niles West represented a combination of concentrated effort by the students and long hours of evaluation on the part of the associated teachers. It is this zeal for knowledge displayed by the high quality of projects of Niles West students which enables the scientific discoveries, so helpful to man in the past, to continue their aid to humanity in new and more advanced ways.

"The Clinical Effects of Hyper-Hypo Natremia" is explained by Allan Silverstein to three visitors at the Science Fair.

Annual Science Fair

Many hours of research and training were spent by Steven Maselli in order to answer the question posed by his project, "Can Pigeons Distinguish Color?"

Steven Peters' display concerning radio components and mass communications, was one of first division awards.

To two of the many adults who visited the Science Fair, Stephen Rothblatt explains his project, "A Magnetically Controlled Cloud Chamber."

Redskins' Review

Wins The Acclaim Of The Audience

An ancient Scrabian castle, ornamented by an atmosphere of the unknown, was the scene of the first Niles West variety production, *Redskin's Review*. "Harem Scarem," the theme of the 1961 show, began with an ominous narration by Corinne Grayson. The plot of the production was the plight of U. S. entertainers who, forced to land in Scrabian territory, were captured and made to perform for the fierce Sultan and his enchanting harem girls. The entertainers displayed their talents as though their lives truly depended upon the Sultan's approval. Monetary prizes were awarded each night to the acts selected by judges to be most original and synchronized. Chorus lines, solos, and specialties delighted the eager audience as the tempo changed from southern ease to the vivacity of Broadway.

Producer, Mr. Ronald Van Arsdale was complimented on the showmanship and creativity seen in the direction of "Harem Scarem." His efforts were well rewarded by the enthusiastic reception of the review. A number of students under the direction of Mr. James Van Delinder and Barry Derman, helped to create the Scrabian palace in which the entire production took place. The entire performance and setting were a combined exhibition of superb talents and the vital interest in school activities which all Niles West students display.

"Don't make us cross the burning sands," cry Judy Kipperman and Tamara Arbetman.

The Sultan's pet ape, Mumbles, Lewis Davidson, finds new excitement in a lady's purse.

Singing folk favorites, James Carder recaptures the spirit of the Civil War.

The Sultan and two of his harem girls, Starr Braverman and Donna Zenner, are bored with life in Scarabia.

"Who's going steady?" and "What's the latest gossip?" the girls in "Telephone Time" want to know.

Senior Year, 1962 — The year when leadership is no longer an ideal but an essential; when Varsity is not only a team, but a feeling.

Senior Year, 1962 — When prom belongs to you and the future becomes your own private project.

Senior Year, 1962 — The year when the strains of "Pomp and Circumstance" sound for the first time at Niles West; when graduates accept the first diplomas that bear the name of Niles Township High School West.

Senior Year, 1962 — The year when the class gift was most valuable, for this class gave to Niles a gift that was a part of them, tradition . . . a gift of idea, a gift of accomplishment.

Senior Year, 1962 — When a school and a class were one as they shared the uncertainties, the responsibilities, and the joys of commencement.

Juniors

This year's Junior Class at Niles West no longer holds the subordinate position to the Senior Class, as was experienced during the two-year split-school system. At last the Junior and Senior Classes are working together as leaders of the student body. Proof of their fine co-operation can be seen in the efficient establishment and operation of the Student Supervised Study Hall System. In appreciation of the co-operation and direction given them by the Seniors, the Juniors present the Junior Prom as the climax to a fine school year.

Sophomores

Dissection in biology, bisection in geometry, and literary interpretation in English are all part of learning for the average Sophomore at Niles West. Though he is no longer referred to as the "Senior at West," he still plays an important part in school life. Engaging in such activities as the selling of school book-covers and folders, being monitors and study hall chairmen, the Sophomore Class has clearly demonstrated their acceptance of responsibility.

Freshmen

All the students at Niles West sense the importance of newness in their school, but none so greatly as the Freshman Class. For them, Niles is not only a new school, but a completely different way of life — a life of fifty-five minute periods, final exams, student unions, and football games. The Freshmen find that they have more responsibilities to meet, and they work hard to plan their activities. The school takes pride in the Freshman Class, because in June, 1965, they will have the distinction of being the first class to complete a four year program at Niles West.

Niles West Boys Find a

Challenge in Sports.

One thing they can never take away from you, Big Red, you brought Niles West its first championship!

With 27 seconds remaining in the season's final contest, the mighty Indians came up from a 6-0 vice to score the seven points that brought them the 1961 Interim League title — the first grid crown in Niles West's first year of football.

Leading a field of twelve teams, the Indians established their power as early as the non-conference opener, when they routed their cross-town rivals, Niles East 34-6.

In driving rain the Indians scored 20-6 against Glenbard East, to triumph in their league debut. Still damp from the Glenbard trek, a loyal home crowd sat through a cold and rainy Saturday to watch the Varsity trounce East Leyden 27-7.

In their first night bout the Indians met an inspired Maine West eleven, suffering the season's lone defeat, 13-6. But victory soon reigned as the Indians scalped West Leyden 45-0.

A 33-19 win over the Warriors of Willowbrook put the finishing touches on "Kick-Off '61," the memorable week-end of West's first homecoming.

The Indians did their dads proud the following week, as they stormed over Deerfield 60-12.

It was not until the closing seconds of a touch and go contest with the Wheaton Tigers, however, that the Indians were assured of an undisputed title. A capacity home crowd watched breathlessly as Suburban Area All Star Quarterback, Jim Hart, spied Bobby Brown, senior end, in the end zone, and let go with the most important pass of the season. Seconds later Hart carried the ball and the Indian's victory hopes over the goal line, bringing the final score to 7-6.

As the stands went wild and the trumpets blared "Go you Indians . . .," Head Coach Mike Basrak and Assistants William Schnurr, Francis Willet, and Darrell Conway left the field in first class style — high on the shoulders of the new league champs, the mighty Indians.

Determination proves to be the key in this play as an Indian defenseman breaks up a pass.

Indians Win Interim League Championship

Interim League scoring leader, Tom Perri, is in the clear for another touchdown.

Varsity in Action

Leading the victorious Indians onto the field are the varsity cheerleaders.

"Thou shalt not pass" is Rick Artwick's thought as he prepares for the tackle.

Jerry Zimmeroff deftly maneuvers through a tight spot.

Sophomores Develop Skills, Gain Experience

Three extra points and the Sophomore football squad, coached by Mr. William Coyer, could have had an undefeated season. Four wins against one loss and two ties was the final record.

The only loss was by one point, 14-13, against West Leyden. Two 6-6 ties were played against Glenbard East and Deerfield. Included in the four victories were shut-outs over Niles East, East Leyden, and Wheaton. In the seven games played, the Indians scored six points in three games and thirteen in the remaining four.

The Sophomores will be a welcome addition to the varsity next year on the basis of their fine season of 1961.

Freshman football players strive to make Willowbrook another victim of their four shutouts.

A victorious freshman football team seems to Indians will retain their championship of 1961. The calibre of our first-year men has given coaches George Bauer, Ralph Lylera, William Paulsen, and Jerry Engle the much needed material necessary to prepare winning teams. With ample school spirit and support from the student body, the 7-1 record of the Freshman A team speaks for itself. The B team posted a 5 and 2 campaign. Without even looking into a crystal ball, the class of 65 should make history for Niles.

The Niles West cross country team ended the season with a record of 4 and 5. This could have been different, but early in the season two meets were lost by less than four points to Proviso West and Glenbrook East, two strong Interim League teams. Mr. John Harmon's runners took a 7th place in the Interim League meet and 14th place in the State Districts. Juniors Robert Barber and Donald Raab consistently finished one-two in the dual meets. These two will provide an excellent nucleus for next year's team.

Coached by Mr. John Cress, the Frosh-Soph runners posted a 2 and 7 record with victories in the first and last meets against Niles East and Maine West.

Senior Triumvirate Leads Hoopmen

Pandemonium reigns; just one more basket and West will win. Unfortunately though, and much too often, the final buzzer sounded before an Indian was able to make those very necessary points. Many times this season, the West team lost because they simply were unlucky.

The handicap of our being a new school also was evident to Coaches Jerry Engel and William Schnurr from the beginning. Nevertheless, the varsity players practiced diligently, improved their style, and managed to finish sixth in their first season of Interim League competition. With the experience of many boys who will be returning next year and an increased spirit backing them, the Indians will better be able to meet their opponents!

What appears to be Bob Brown's attempting a lay-up is actually his spearing of a rebound.

Jim Hart adds two more points against St. Mel.

Frosh-Sophs Show Promise for Future

With records of 14-4 and 13-5, the Freshmen and Sophomore basketball teams show great promise for successful future seasons. Coach William Paulsen noted that the freshmen have especially good rebounding and shooting abilities. Because of their excellent playing qualities, several boys were placed on the Junior Varsity and Varsity teams. The experience those freshmen and sophomores gained by playing on these higher levels will be a decisive factor in attaining a basketball championship during the next few years.

Eckman Takes Fifth Place In State Meet

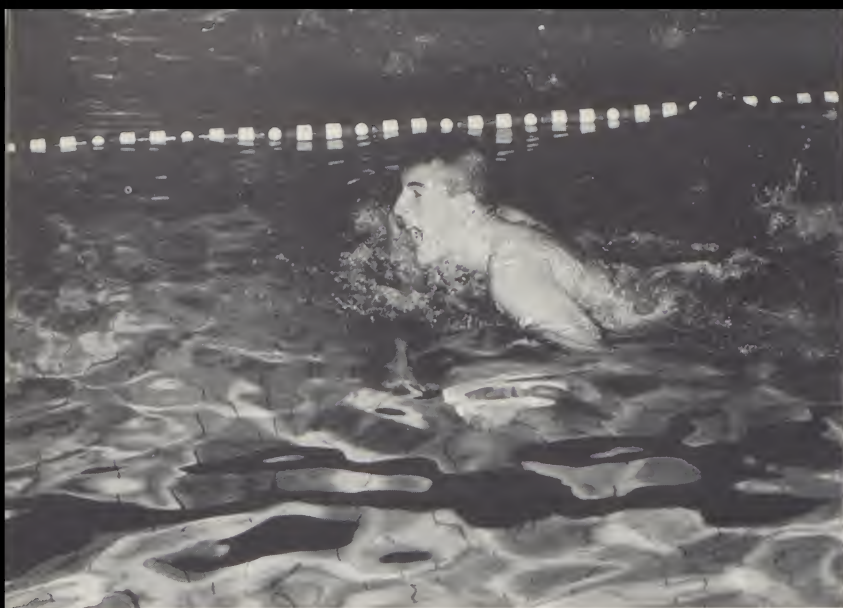

Highlighting the 1961-62 swimming season was the opening of Niles West's first swimming pool. Fully equipped with underwater lighting and underwater windows for viewing, the pool afforded an unequalled opportunity to the Varsity swimmers.

The Mermen, in their first year of league competition, coached by Arnold Cajet and Francis Willett, finished in the first division of the Interim League with a fifth place position. By posting a record of 5 and 15 and with most of the swimmers returning for the 1962-63 season, Niles West will prove a formidable opponent to all competition.

Herkert Wins State Championship

Wrestling has become increasingly popular in the last few years. This year, especially, the enthusiasm was at its highest. At Arlington High School a crowd of over five thousand, by far the largest in the state's history, viewed the state wrestling finals. Many rooters from Niles West were present to bring back to Niles a 165 lb. state champion in the person of Bob Herkert. Bob was able to defeat D. Ernest of Savanna in the finals by the score of 7-2. During the semi-finals earlier in the afternoon, Bob had his closest match defeating R. Hanau of Lyons Twp. by the score of 5 to 4. These two triumphs concluded his perfect season of 29 victories.

Juniors Jerry Kahn and Steve Brown should be given special credit for their strong showings. Coach Charles Anderson's wrestlers, dominated by sophomores and juniors, performed quite well on the mats this year with a record of 8 and 9. Victories over Prospect, Maine West, Wheaton, and Willowbrook, as well as a second place in the Prospect Invitational Tournament were significant events in the Indian's season.

With a solid nucleus of many returning wrestling lettermen, the wrestlers should enjoy a very successful season, possibly climbing to top place.

Preparing for the varsity was the chief goal of the frosh-soph wrestler. For their first year in the Interim League, the wrestlers did exceptionally well. Coached by Mr. Rex Whitlatch, the freshman had a successful season of ten wins and three losses, while the sophomore squad had a record of two wins and eleven losses. The Sophomore squad's record, however, is not a true indication of their ability because many of the boys were promoted to the varsity and junior varsity, thus weakening Coach Whitlatch's group.

Apparatus Men Display Fine Form

The gymnastics program inaugurated at Niles by Coaches John Cress and James Phipps has grown rapidly. Before the need for physical fitness was stressed nationally, the Physical Education Department emphasized gymnastics as a means of promoting healthier and better coordinated athletes. We can be proud of the gymnasts our program has produced. Competing in the Interim League, the varsity gymnasts concluded the season with a record of 7 and 11. A great deal of credit for this season's record should go to varsity trampolinist, John Roach, who qualified for the state finals at Willowbrook. The frosh-soph gymnasts, the material for next year's squad, finished the season with a record of 10 and 8.

ACKNOWLEDGEMENTS

Compiling a yearbook is not an easy job, but is a fulfilling and rewarding task which takes many hours, days, and months of hard work. The goal of all the members of the *Spectrum* was to strive to give Niles West the best possible yearbook that a high school, whether new or old, could produce. Our hope is that the student body feels we have accomplished this objective.

Our deepest thanks go to Mrs. Lois Fisher and Mrs. Deborah Gould, who as sponsors of the *Spectrum* have guided the staff and by unselfishly contributing of themselves to the book, have unmistakably established a future tradition of Niles for yearbook staffs to come. Our personal thanks, also, to Root Studios of Chicago who did the photography, to Mr. Norman Koenig of the Norman King Publishing Company who did the publishing, and to the faculty and administration for their patience and cooperation. The *Spectrum* would never have been possible without these people and their aid.

Respectfully

1962 *Spectrum* Staff

Varsity Tennis

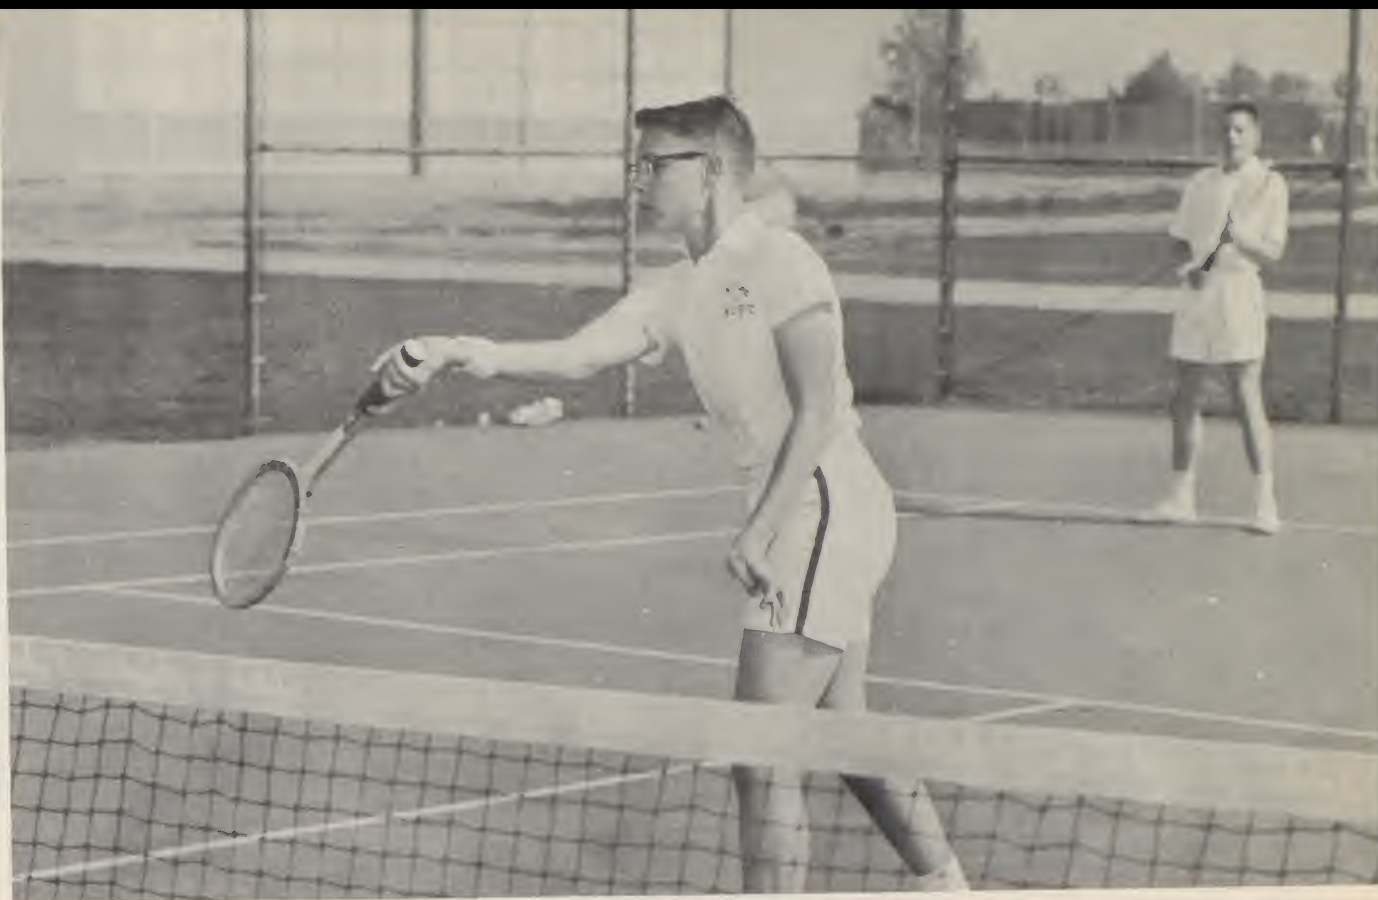

First Row: Asa Oye, Joseph Weisbrodt, Mark Epstein. Second Row: Ethan Brownstein, Barry Davis, Richard Smevoold, Keith Schroeder, Mr. George Kielwasser.

The varsity tennis team, coached by Mr. George Kielwasser, encountered more than its share of difficulties this year. Lacking sufficient depth and incurring occasional injuries, the team finished with a 3 and 9 record. The season ended with a 5-0 shutout against East Leyden, who had previously beaten the Indians. Ethan Brownstein played number one varsity singles, and Jim Weisbrodt filled in as number two man while regular Jim Carder was on the sidelines. Mike Delott and Asa Oye played number one doubles, while the number two team consisted of Mark Epstein and Keith Schroeder. With all tennis men returning, excepting Carder and Oye, the '63 season should be a profitable one.

Frosh-Soph Tennis

First Row: Leonard Smock, Michael Garlich, James Yardley, Christopher Murlas. Second Row: Mr. Dennis Hoepfner, Scott Kaluzna, Stuart Hertzberg, Roger Kaage, Robert Bulster.

Leonard Smock successfully scores with an underhand return.

Track

Mr. Darrell Conway's track team ended their season with a 3-3 record in League dual meets. With only a few seniors, the team was comprised of juniors and sophomores. Returning next year will be Elliot Davidow for the dashes, Don Deck for the pole vault, and Don Raab and Bob Barber for the runs. These four should provide a strong nucleus for the 1962-63 team.

Baseball

An impressive 17 and 5 record was captured by the varsity Diamondmen. Included in this record was a second place finish in the Interim League and District and Regional titles. A double-header split with Maine West prevented the Indians from reaching another title in the Regional playoffs. Going into the first game, the Indians were still in the State Tournament while Maine West had been eliminated. An eleventh inning loss resulted. But the Indians' typical spirit was still shown as the team came back to win the second game, 9-3. Defeating Notre Dame of Niles and Niles East, the Indians took their own district title. The Indians emerged as champions of the Elmwood Park Regionals by defeating Suburban League powers, Proviso East and New Trier. With only two victories needed to send them downstate, the Indians lost to Thornton, 7-4, in the Morton Sectionals. Jim Hart, Kim Harfst, Mike Thiry, and Earl Hoffenberg made the Interim League All-Star team. Kim Harfst was named the Indians' most valuable player.

The sophomore squad coached by Mr. William Coyer, followed the Varsity in a like manner. In a playoff for the championship, losing 1-0, they finished second to Maine West. Shortstop Don Klipowitz was selected the team's most valuable player.

With a record of 8 and 7, the freshman squad, coached by Mr. Bauer and Mr. Hoosline, showed improvement in every game and will prove to be a real asset to the varsity in the future.

Faculty-N-Club Game

On March 30, 1962, the "N"-Club tried to defeat members of the West faculty in the first annual "N"-Club-Faculty basketball game. Defeat, however, was waiting for the West athletes as they fell to the faculty members by a score of 61 to 45. To the astonishment of most students, the faculty members displayed a great deal of skill and team cooperation which brought them the victory.

In addition to the antics of the players, female faculty members and "N"-Club members in feminine attire provided excellent cheering sections for the faculty and "N"-Club teams. Certainly, an enjoyable evening was shared by all, including the junior "N"-Club members who vowed, "We'll get them next year!"

Keep It

Robert Dahl and Susanne Gallowich sing of happy summer days.

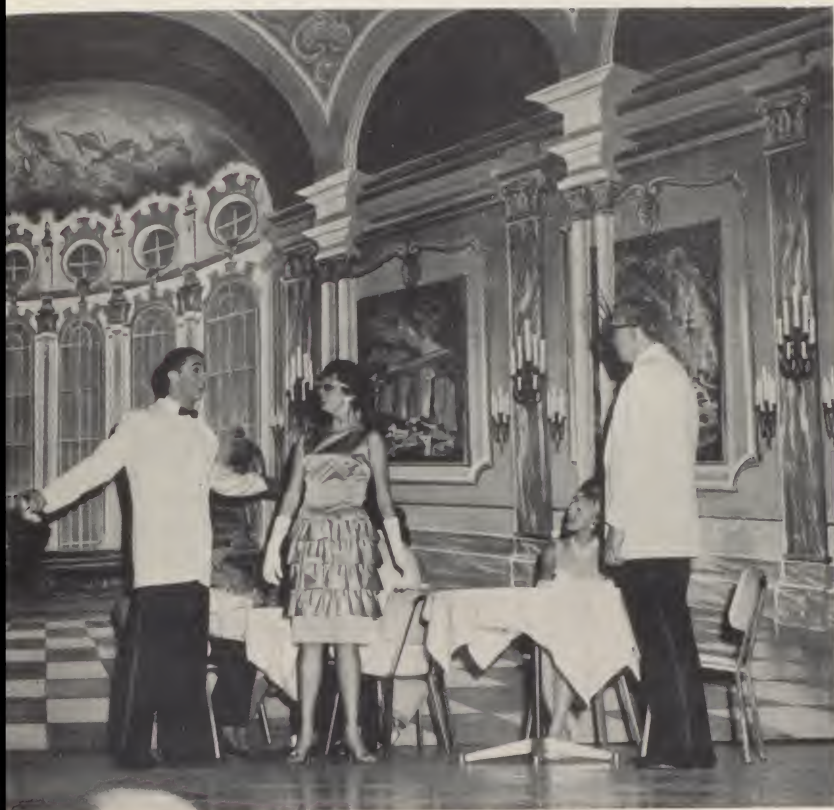

A father trying to break up his daughter's romance, a thirteen-year-old child prodigy, a trip to Europe on an elegant ocean liner, and a hoax on Father comprised the intricate plot of this year's Spring Musicale, Keep It Gay. Colorful sets, skillful choreography, and attractive costumes, in addition to the fine score, kept the audiences gay and entertained.

Under the direction of Mr. Hugh McGee and three student assistants, the production involved over 200 members of the Niles West Music Department. A separate cast for each night, Senior cast on Friday and Junior cast on Saturday, enabled more students to participate in the presentation. Members of glee and choir sang from their seats in the audience to produce an especially harmonic effect.

Joanne Worthington (far left) explains to Laurel Rechtermann, Nancy Nelson, Martin Sheehan, and Sharon Gagne about the Masquerade Ball to be held on the ship that evening.

Gay

Donna Harrison, Ronald Thigpen, Peggy Singer, Janice Goldfeder, Richard Lavin, Rosalie Stemer, Elayne Halpern, and Dan Smith enjoy an evening at 16 Washington Sq., the home of Dr. Austin Sloper.

The Heiress

Elayne Halpern watches Richard Lavin question Ronald Thigpen about his future plans.

Static was the air in the Niles West Auditorium on May 11 and 12, 1962, as the Dramatics Department presented *The Heiress* by Ruth and Augustus Goetz. The controversial question of whether to marry a fortune-hunter or to remain with an unloving father provided a great challenge for the cast, production staff, and crews.

Under the supervision of Mrs. Eileen Zelznick, the cast members successfully delivered the audience into the Victorian world of the Slopers and the Townsends. The 19th century livingroom set, constructed by the stage crew under Mr. James Van Delinder's direction, and the costumes from New York completed the authenticity of the play.

National Honor Society

Candles of inductees are lighted by old members before oath is taken.

Roses and candles were the key symbols as forty students were inducted into the Niles West chapter of the National Honor Society, on May 8, 1962. The formal ceremony began with speeches by the members about the standards for election into National Honor Society. Then, with candles raised, the inductees took the oath and received their gold pins. The formal ceremony was followed by an informal reception for the new members and their parents.

The recognition of membership in National Honor Society is not restricted to this day, however. Junior members receive the privilege of ushering at Commencement exercises, and Senior members are singled out by gold tassels on their caps.

Scholastic Awards Assembly

Academic excellence is the achievement for which Niles West students strive. At the end of each school year, students receive pins and certificates as recognition of scholastic achievement.

On June 1, 1962, Niles West proudly presented 360 students with awards at its first Scholastic Awards Assembly. Gold, silver, and bronze pins, and Freshman certificates were awarded on the basis of honor roll points accumulated throughout high school. In addition, each department presented an award to the outstanding student in that department.

The entire student body and welcomed parents listened to class meditations by Seniors Corinne Grayson and Robert Lawler.

Stewardesses Nancy Raab and Patricia Ballou hand out bids as they welcome couples for a happy flight to "Gay Paree."

"Last call for the passengers on the Niles West chartered plane to Paris, France!" And on May 25, 1962, over 300 couples embarked on a realistic journey to scenic France at "C'est Magnifique" - the 1962 Prom.

Apple blossom trees surrounded the sidewalk cafe, where couples talked gaily at checkered cloth covered tables. Along the streets were colorful shops, restaurants, and gardens. And in the background were the familiar sights of the Eiffel Tower, the Arc De Triumph, and majestic cathedrales.

The climax of the evening came when the royal procession began. Junior Class officers and members of the court formed an arch through which Prom King and Queen, Gerald Singer and Joanne Worthington, walked. The coronation, followed by a Royal dance, ended the evening of enchantment and fantasy.

Leslie Kummerow adjusts the caps of some of her classmates prior to commencement exercises.

The class that heard "first" since the beginning of September presented Niles West with its last "first" on June 13, 1962—the first annual commencement exercises. On this date, the class of '62 gathered for the last time as a whole and for the first time as individuals pursuing different paths.

Following the Processional was an invocation by Rev. Paul Roberts. Speeches by James Swinger, Charlene Chang, and Robert Lawler recalled moments in the past and provoked thoughts for the future. Diplomas were presented to

the 432 graduates, and the class sang the Alma Mater. The Benediction was delivered, and the class marched out during the recessional.

The Senior Class Breakfast and Commencement Exercises were a perfect end to the four years of high school. The fun and spirit of the breakfast, combined with the solemnity of the Graduation exercises, formed a finale the class of '62 will long remember.
